THE STUDENT VISA APPLICATION PROCESS
First Year Abroad 2016-2017
Valencia, Spain

It is time to begin the process of obtaining your student visa. Just as students from outside the U.S. are required to obtain a student visa in order to attend an academic program in the U.S., you are required to apply for and obtain a student visa. The receipt of a visa is a privilege, not a right. Each foreign country has the right to establish its own parameters for the granting of a visa, and as an American requesting permission to enter that foreign country, you must abide by all of its requirements. It is imperative you submit your visa application and all supporting documents to International Programs by June 9th, 2016. Failure to meet visa deadlines could result in late arrivals or the inability to participate on the program.

The current regulations set forth by the Minister of Foreign Affairs for Spain require all visa applicants to apply in person at the Spanish Consular office that serves his/her permanent address. FSU International Programs realizes the extreme difficulty and expense this would cause to students. Therefore, we have been successful in negotiating a special arrangement with the Spanish Consulate in Miami to allow a University Representative to act on behalf of our students and present all visa applications (in person) for our program as a group, regardless of their permanent address.

PASSPORT
You will need a passport valid for at least 6 months beyond your planned return from Spain and the passport must contain at least 2 blank visa pages. If you do not have a passport or a passport that meets these requirements, you will need to apply for one right away. Please make sure you select the appropriate passport processing service in order for the passport to be issued before June 9th.

RETURN OF PASSPORT
Once your visa is processed and returned by the consulate, your passport/visa must be picked up or mailed to you from Tallahassee. It is vitally important that we know your correct, current mailing address at all times. You will be contacted before the passport/visa is returned to you to verify your address and availability for signature.

INTERNATIONAL TRAVEL
A visa is a seal that is affixed inside the passport so all students will be required to submit their original passport to International Programs. For this reason, international travel may be limited in the months before the start of the program. Any students with travel plans to any international location for the summer please contact Tina Brooks at cbrooks2@fsu.edu.

NON-US CITIZENS
Certain countries require student visas of program participants regardless of country of origin, while other countries may require a student visa only of non-U.S. citizens. Rules, requirements, and procedures change frequently, however, please be advised that you will need your resident alien card and a copy of your flight itinerary; including your return flight. Any non-US citizen is to contact Tina Brooks at cbrooks2@fsu.edu.

IMPORTANT WARNING
We must receive your student visa application and supporting documents by June 9th, 2016 in order for FSU International Programs to apply for your visa on your behalf. If you choose to obtain your student visa on your own, please be aware that failure to obtain a student visa may not release you from responsibility of the full program fees. If you are unable for any reason to submit your visa application by the deadline or plan to obtain your visa on your own, please contact International Programs immediately.
STEP ONE- FSU CARD AGREEMENT
The Spanish consulate requires proof that you are a student at Florida State University. Therefore, a clear photocopy of your FSU Card is required. Since most of you will not receive your FSU Card prior to the visa deadline of June 9th, International Programs will obtain the card on your behalf. In order to do so, please fill out the FSU Card Agreement and submit to Tina Brooks as soon as complete.

For “Reason”, please select “First Card”.
The Blackboard/OMNI Login is your email address without the “@my.fsu.edu”, for example: cmb14u

Please send the FSU Card Agreement with either a copy of your passport or Driver’s license to Tina Brooks by mail or by email.

The FSU ID we obtain for you will not include your picture. However, you will be given time at IPre-Depart to obtain a new FSU ID with your picture.

* Please note: The FSU Card Agreement (with a copy of your ID) is the only item that we ask to be turned in on its own. Please send the remainder of the visa documents together, once they have all been completed.

STEP TWO- FBI BACKGROUND CHECK AND APOSTILLE CERTIFICATION
In order to stay in Spain over 6 months, a background check and an apostille is required. An apostille is a form of authentication similar to a notarization. Overall, the processing takes up to 3 week to complete. The FBI Background check takes up to 7 business days with standard shipping and the Apostille takes an additional 7 business days. Please make sure you start the process with enough time to meet the visa deadline, June 9th.

A. FBI Background Check: You will be working with the company, My FBI Report, in order to complete your FBI Background Check. This company is an approved channeler by the FBI. International Programs asks that you please use this channeler as they offer all FSU students a discount, but they are also one of the few companies that supply FBI background check results on blue tamper proof paper required to obtain the apostille (the second step).

My FBI Report will guide you through the background check process. Please visit http://www.myfbireport.com/index.php , scroll to the bottom of the page and enter your email address to receive application forms and instructions. In order to receive a discount, please use promo code: FSU3

B. U.S. Department of State Apostille: Once the hardcopy, blue, tamper proof background check results have been returned to you, you will start the apostille process. You cannot use the results offered online.

Step 1: Fill out the DS-4194 : http://www.state.gov/documents/organization/183033.pdf
Section 1: Fill in your contact information.
Section 2: Not Applicable to you (Skip)
Section 3: The results must be mailed back to you, not to International Programs.
Section 4: Country of use will be “Spain”
   Number of Documents: 1
   Document Type: “FBI Criminal Background Record”
Section 5: Total Number of Documents: 1
   Estimated Cost: $8
Step 2: Payment: The fee for the apostille is $8. Allowable payment methods include U.S. Postal Money Orders, Checks (personal, corporate, certified, cashiers, travelers) all payable to “U.S. Department of State”.

Step 3: Self-Addressed, prepaid envelope: Include a pre-filled, pre-paid shipping label and corresponding envelope. This is for the U.S. Department of State to return the certification to you. International Programs recommends using a traceable method of shipping (priority, UPS, FedEx, etc) The shipping label must be made out to you and from you (you will be listed as both the sender and the recipient).

Step 4: Mail: Mail the DS-4194 request for authentication service form, check or money order, pre-paid and prefilled return shipping label and envelope and original FBI background check to:

Office of Authentications
U.S. Department of State
CA/PPT/S/TO/AUT
44132 Mercure CIR PO BOX 1206
Sterling, VA 20166 1206

Step 5: Follow up: Processing for the apostille takes approximately 7 business days once received. Call the Office of Authentications to inquire about the status of your documents at 202-485-8000.

Please note: The Year-Long visa application cannot be presented to the consulate without the FBI Background Check and Apostille. It is very important to keep track of processing and complete each task in a timely manner. If you believe for any reason you will not have the background check and apostille by the June 9th deadline, please notify Tina Brooks cbrooks2@fsu.edu before the deadline.

STEP THREE – VISA APPLICATION
Please follow the below instructions when completing your Spain Visa Application. Some questions must be answered specifically (highlighted in bold red). A blank application is supplied in this packet for your use. However, if the handwritten answers are deemed by the visa officer to be illegible, the application will be denied.

To access the ‘Application for National Visa” as a writable PDF, please first visit the Spanish Consulate’s website: http://www.exteriores.gob.es/Consulados/MIAAMI/en/InformacionParaExtranjeros/Pages/Visa%20Requirements/Student-Visa.aspx

Second, click on the “National Visa Application form” link in number 1.

21. **Date of Intended entry into Spain:** Example: 1 September 2016
Very Important: Even though you are applying for a Spain Visa, you are to enter and depart the Schengen area according to the Spain visa dates. The Schengen Area includes most of Europe except for the UK. A map and list of the Schengen countries are included at the end of this visa packet. Therefore, if you are looking to travel before or after the program, you must abide by the Spain visa start/end dates.

Entry: You may enter into the Schengen Area on or after the start date indicated in your Spain visa, not before. The Spain Consulate allows for you to apply for a visa start date up to a week before the start of the program, no earlier. Therefore, you cannot apply for a start date or travel to the Schengen area earlier than 25 August 2016. If you decide to travel before the start of the program which is Thursday, 1 September 2016, please note the Spain Study Center housing does not open until that day and you will need to find alternative housing. Classes will not begin until 5 September 2016 so that students will have time to settle in while attending the welcome orientations. If you currently have plans to enter Spain or the Schengen area greater than 7 days before the start of the program, please contact Tina Brooks.

Exit: Your visa will only be valid until sometime in December. However, while you are in Spain, you will register with the local authorities and receive a residency card. This card will extend your stay through the end of the program. You must leave not only Spain, but the Schengen area by the date indicated on your residency card. A list/map of Schengen countries is located at the end of this packet. Independent travel and summer immigration will be addressed further at IPre-Depart. If you are unable to attend, please contact Tina Brooks to discuss.

I am aware of and consent to the following: the collection of the data required by this application form and the taking of my photograph are obligatory for the visa application to be examined. Any personal data concerning me which appears on the visa application form, as well as my photograph, will be supplied to the relevant authorities and processed by those authorities for the purposes of deciding on my visa application. Such data as well as the decision taken on my application will be entered into and stored in a database. The authority responsible for its processing is the Consular Post at which the visa application was submitted. Data shall be accessible to those authorities competent to carry out checks on visas at external borders and in Spain, immigration and asylum authorities for the purposes of verifying whether the conditions for the legal entry, stay and residence in the territory of Spain are fulfilled, for identifying persons who do not or who no longer fulfil these conditions, for examining asylum applications and for determining responsibility for such examination.

I am aware that I may exercise my rights of access, rectification, opposition and deletion of my personal data, pursuant to the provisions of Organic Law 15/1999, of 13 December, on Protection of Personal Data, by writing to: Dirección General de Asuntos y Asistencia Consulares del Ministerio de Asuntos Exteriores y de Cooperación; calle Ruiz de Alarcón 5, 28071 Madrid.
I declare that to the best of my knowledge and belief all particulars supplied by me are correct and complete. I am aware that any false statements shall lead to my application being refused or to the annulment of a visa already granted.

I am aware that once the visa request has been submitted, a copy of this form, stamped to indicate the date and place of reception, shall be returned to the applicant and that arrangements may be made with the applicant as to the channel for requesting corrections or the supply of documents or certificates required, as well as for serving notice of summons and for notifying him/her of the decision adopted.

Notices and requests shall be made by telephone or fax to the contact number provided by the interested party or his legal representative. If these go unanswered, they shall be served in writing to the domicile set out in the application, which must be located within the consular district.

Summons and requests served must be complied with within a period not exceeding ten days, unless personal attendance is required, in which case the deadline is fifteen days.

Once all the possibilities of serving a notice have been exhausted, it shall be carried out by means of an announcement posted on the relevant notice board of the Consular Post for ten days.

If no reply is received to a request or summons within the time period, the applicant shall be deemed to have withdrawn his/her request and he/she shall be notified of the decision establishing this to be the case.

Decisions on a visa application shall be notified within a maximum period of one month, which cannot be extended, counting from the day following the date the application was submitted at the competent Consular Post for processing, except in the case of residence visas without work permit in which case the maximum period shall be three months. In this latter case, the application for the relevant residence authorisation which must be issued by the corresponding Government Department Office or Provincial Government Office shall put a hold on this time period until this authorisation is notified to the Consular Post.
Once the visa is granted it must be collected within a month, unless it is a visa for a family reunion or a visa for study purposes; in these cases, the period for collection is two months. If a visa is not collected within the aforesaid periods, the applicant shall be deemed to have renounced the visa granted and the application and accompanying documentation will be archived.

STEP FOUR – SUPPORTING DOCUMENTS

A number of supporting documents are required by the Spanish Consulate in addition to your application. Remember it is your responsibility to gather this documentation. Be certain you include ALL supporting documents when turning in your visa application to the International Programs Office. The Spanish consulate requires original documentation. Therefore, we cannot receive your application or support documents via fax or email. All documents must be mailed, hardcopy to International Programs (See step 5).

1. TWO PASSPORT PHOTOS: Two official passport color photographs with your signature on the back. A photograph printed from a home computer is not a valid, official, picture. Passport sized photos can usually be obtained at a CVS or Walgreens.

   Please note: These photos are in addition to the two photos required for your Important Forms packet. In total, you will need 4 photos (2 for the visa and 2 for the “International Student Identification Card Application” found within the Important Forms Packet)

2. ORIGINAL PASSPORT: You must turn over your original signed passport (not a copy). A student visa is not a separate document, but a seal that must be affixed inside your passport.
   - Please make sure to sign your passport before sending it in with your application. Your passport is an invalid document until you have signed it.
   - Your passport must be valid for at least six months beyond your intended return from Spain.
   - Your passport must contain at least two empty visa pages. The last three pages of your passport are not considered visa pages.
   - If your passport will expire within six months of your return from Spain or you do not have 2 empty visa pages, you must obtain a new passport before applying for your visa. You may contact Tina Brooks on information on how to apply for a passport, processing times and prices.

3. IDENTIFICATION:
   For U.S. citizens:
   a. A clear photocopy of your Driver’s License

   For Non-U.S. citizens:
   a. A copy of your “Green Card” (U.S. Alien Registration Card) or other visa for the United States and I-20 form
   b. A clear photocopy of your Driver’s license
   c. You will also need to submit a copy of your flight itinerary.

4. FINANCIAL SUPPORT DOCUMENTS:
As a student in Spain, you are not allowed to seek any paid employment to “pay as you go” or otherwise fund your stay in Spain. The amount of $6000 in financial support needs to be provided. Please review this section very carefully and be sure to include those documents that are applicable to you.

If supported by your parents or legal guardians please supply all of the following documentation:

A. Original, Notarized Letter: A letter from your parents or legal guardian addressed to the Consulate stating they will be fully responsible for your financial support while you are in
Spain. The letter must also state possession of at least $6,000, written in figures. *The letter must be original, and it must be notarized (see sample in packet).* The parent signing the letter must match the parent listed on the bank account statement/letter.

### B. Copy of Parents’ Driver’s License

### C. Copy of Student’s Birth Certificate: This does not need to be a certified copy

### D. Most Recent Bank Statement: A bank statement in your parents/legal guardians’ names. The bank statement must show no less than $6,000 in available funds and be the most recent statement possible. Account numbers may be blacked out.

If you use online banking you may print out your statement from online. If the statement does not have the bank’s name/logo, name of the account holder or if the statement looks like something you can create yourself, please obtain a notarized letter from the bank stating the amount of funds available (See Below). If you are unsure if your bank statement will suffice, please contact Tina Brooks.

**Notarized Letter from the Bank:** Instead of a bank statement, a notarized letter from the bank may be obtained. The letter must state the account holders name and that at least $6000 (written out in figures) is available. This letter must be notarized and should be used if the bank statement is not sufficient.

---

**If you are of legal age and self-supporting please supply a letter and proof of support funds:**

### A. Original, Notarized Letter: You will provide a letter addressed to the Consulate stating you will be fully responsible for your financial support while you are in Spain. The letter must also state possession of at least $6,000, written in figures. *The letter must be original, and it must be notarized (see sample in packet).*

### B. Most Recent Bank Statement: The bank statement should be in your name and must show no less than $6000 in available funds. Please supply the most recent bank statement available. Account numbers may be blacked out.

If you use online banking you may print out your statement from online. If you are unsure if your bank statement will work, please contact Tina Brooks.

**Notarized Letter from the Bank:** Instead of a bank statement, a notarized letter from the bank may be obtained. The letter must state the account holders name and that at least $6000 (written out in figures) is available. This letter must be notarized and should be used if the bank statement is not sufficient.
