BEFORE DEPARTURE & ARRIVAL IN LONDON

BEFORE DEPARTURE
FSU International Programs is now a Passport Acceptance Facility, so you can apply for your passport in our office. Call 850.645.9714 or visit international.fsu.edu/Passports.aspx for details. You may also purchase your passport photos in our office. Please call our Passport Acceptance Facility office for details.

VISA & ENTRY REQUIREMENTS FOR U.S. CITIZENS
Prior to your departure from the U.S., you will receive a letter from IP stating the visa category into which you, as a faculty member accompanying a group of students on a study abroad program, belong and therefore explaining the reason for your visit to the UK. Upon your arrival in London, the immigration authorities will likely ask you the reason for your visit to the UK. In response, you should present the letter from IP and state that you are requesting leave to enter the UK as a visiting academic accompanying a group of students on a study abroad program. It is important that you do not misrepresent yourself by stating that the purpose of your visit to the UK is to work or to teach. Note: you do not need to be travelling with the students in order to qualify for entry under this category. You might also explain, if asked, that you will remain a full-time employee of Florida State University in Tallahassee, Florida, USA (or your home U.S. university if not FSU) and that after the study abroad program concludes, you will return to your full-time position in the USA. If asked, you should also make clear that you are not being paid by FSU London, but are receiving compensation from FSU in Tallahassee.

Please be sure to pack this letter in your carry-on with your passport. Any time you enter the United Kingdom (regardless of whether it is your initial entry, or subsequent entries during the program), you must present this letter with your passport. Failure to present this letter could result in your being denied entry to the UK.

If you are not a citizen of the U.S., please contact Tina Brooks at cbrooks2@fsu.edu as soon as possible to ensure that any special requirements relating to your proposed entry into the UK might be researched.

You will receive a card (called a landing card) on the plane to fill out with your name, birth date, and address in London. It is fine to use the FSU London address for your landing card. The address is 99 Great Russell Street, London, WC1B 3LH. You will claim your luggage then go through customs and immigration at your arrival airport.

- Be sure to have your passport and IP University letter readily available

ARRIVING IN LONDON
Please make sure that you are arriving in London on or before your Approved Arrival Date, which is typically one day before the start of the program. This date can be found in both your appointment letter and Okay to Buy Airline Ticket email.

FSU London will book a cab for your initial arrival/final departure between the airport to the study center. The amount covered will differ depending on which airport (Gatwick or Heathrow) was used. IP will cover up to the amounts listed below:

One-way to/from Heathrow £43.00
One-way to/from Gatwick £65.00

These quotes are for two people and two pieces of luggage.

If you wish to book transport independently and seek reimbursement (from IP Tallahassee office) for transportation expenses incurred abroad for initial arrival/final departure, the expense receipt(s) must be uploaded to the Concur online travel system. See the attached directions for uploading your receipt(s) to the Concur online travel system. If you have issues with the Concur system, please contact FSU Travel or your FSU home department travel rep. If you have questions about your receipts, contact ip-submittravel@fsu.edu. Travel receipts for reimbursement will not be accepted via email or in person.

If you choose to book your own cab from the airport to the Centre, please be aware that there is a charge when booking by phone, and other terms and conditions may vary, so please check when booking. Please also note that Study Centre staff cannot assist with or be responsible for cab bookings made independently. “Minicabs” cannot be arranged upon arrival and must be booked in advance.

- Airport Taxis Heathrow & Gatwick
- Expressways
- Dial A Cab
- ComCab London
NOTE: It is possible to get a black cab from the cabstand outside of the airport, but this is a very expensive option. These are metered and can cost upwards of £100+ depending on traffic. If you have not pre-booked a cab, either through the Study Centre or independently, before travelling, consider downloading the app Gett upon arrival to have a licensed cab collect you and be sure to choose the fixed rate option.

ALTERNATIVE TRANSPORT FROM GATWICK
(South and North Terminals)
Upon entering the arrivals area, make your way to the South Terminal, where the railway station is located. We recommend taking a Thameslink train, which goes to London St. Pancras International station rather than the Gatwick Express to Victoria Station. Before going down to the platform to board your train, purchase an Anytime single (one-way) train ticket costing about £13. Then board a Thameslink train labelled heading north to Bedford (don’t take one labelled Brighton, it is the wrong direction!). Get off at London St Pancras International. The journey time is one hour. From St Pancras, you can take a taxi to FSU London, which should cost about £10. Please note: tickets for Thameslink trains cannot be used on Gatwick Express services. An alternative route is to take the Gatwick Express to Victoria, a 30-minute journey costing approximately £18 (online) to £20 (at station). The taxi fare from Victoria Station to FSU London costs approximately £15. Fares are higher for late-night or rush hour arrivals. Tip the taxi driver about 10% of the fare.

ALTERNATIVE TRANSPORT FROM HEATHROW
(All Terminals)
When arriving at Heathrow Airport, you should take the Heathrow Connect, a fast and frequent rail service linking Heathrow with Paddington Station. The Heathrow Connect operates from Terminals 2 and 3 with a transfer facility from Terminals 4 and 5 and has a journey time of approx. 30 minutes. Follow the signs for the Heathrow Connect. The ticket will cost approximately £10. Alternatively, you can take the Heathrow Express, which operates from Terminals 2, 3, and 4 and has a journey time of 15 minutes and costs £22. Whichever train you take, you should arrive at Paddington Station and take a taxi to the Study Centre, which should cost about £15. Tip the taxi driver about 10% of the fare. Fares are higher for late-night or rush hour arrivals.

It is possible to reach the Study Centre by tube direct from Heathrow Airport but it can be difficult with luggage. If you do undertake it however, the simplest route is to take the Piccadilly line to Covent Garden, use the lift to carry your luggage, exit the station, and then take a cab to the Study Centre. The underground ticket will cost approximately £5 and the cab fare should cost approximately £5.

HOUSING
Upon arrival in London, please proceed to FSU London at 99 Great Russell Street to pick up your access card and flat keys. Check in to Faculty Housing begins at 2:00 p.m. If you arrive before 2:00 p.m., you may leave your luggage at the study center while you explore the city. FSU is located in central London within easy walking distance of Covent Garden, SoHo, and Oxford Street. The staff will be happy to give you directions to your housing from FSU. Most faculty housing is a short walk away.
PROGRAM SPECIFICS

FACULTY ON-SITE ORIENTATION
Due to immigration requirements, all faculty members are required to attend an on-site faculty orientation at the Study Centre. The Study Centre will coordinate the orientation date/time with the faculty member before their arrival.

COMPANIONS & CHILDREN
Faculty members must provide the names and, if under 18, ages of any people who will be accompanying them on the program to Program Management in the Companion Form. The FSU London Program tries to promote a family-oriented environment as much as possible for all visiting faculty, but our highest priority remains the students. Faculty members are asked not to bring their children to the Study Centre while they are lecturing. Furthermore, the children of faculty members are not allowed to be in the classroom during lecture periods and should not be allowed to attend any field trip that is connected to the students' experience of the course.

Appropriate daycare and/or babysitting arrangements must be made by each faculty member prior to their departure. Students attending the London program or staff members should not be asked to babysit.

If children will be attending a study center arranged excursion, they must be at least 12 years of age to participate in a coach excursion.

HOUSING
Faculty housing is located in the nearby vicinity to FSU London. International Programs provides a studio apartment for each faculty member for their approved dates.

Faculty who require additional space, who wish to extend their stay, or who have any other questions about housing should contact Facilities Manager Jan Moody at jmoody2@fsu.edu.

FACULTY COMPENSATION
Your teaching stipend will be split between the pay periods during your approved program dates. Your payments will be deposited automatically to your checking account, as currently arranged with FSU. Be sure to keep your original receipts for expenses incurred for shipping or airline baggage charges.

For more information regarding your compensation, including your approved teaching stipend and shipping allowance, please refer to your International Programs appointment letter.

SHIPPING ALLOWANCE
As part of the compensation package all London Study Centre faculty from Tallahassee are reimbursed shipping costs for books and other items up to $100. Receipts for shipping costs should be uploaded to the Concur online travel system. See the attached directions for uploading your receipt(s) to the Concur online travel system. If you have issues with the Concur system, please contact FSU Travel or your FSU home department travel rep. If you have questions about your receipts, contact ip-submittravel@fsu.edu. Travel receipts for reimbursement will not be accepted via email or in person.
ACADEMIC INFORMATION

International Programs is a strong proponent of the concept that “The World is Your Campus.” Class sessions need not meet solely in the classroom; we encourage you to use the host city as the classroom. Courses taught internationally should be enhanced by their location, and we recommend that you take full advantage of all the resources available to you. The finest museums, theatres, and historical sites are at your disposal, so you will be expected to get your students out into the streets to explore all your host country has to offer.

CONTACT HOURS
Course-related field trips incorporating academic lectures are classified as classroom contact time for the duration of the lecture or instruction. Course-related field trips without formal accompanying instruction count as half class time for the period allotted by the instructor. For example, if your field trip without formal instruction lasts four hours, only two hours will count as teaching contact hours. Contact time required per credit hour is 750 minutes. A three credit hour class will need a total of 37.5 hours of teaching contact time. You are able to utilize travel time to and from the location for instruction.

ACADEMIC RIGOR
Distractions from academic work are part of a student’s life while studying abroad, due to the fact that they are in a new and alluring environment; they invariably want to travel and explore. Personal travel and exposure to the culture are important to the educational experience, but this must not be at the expense of academic standards. Therefore, you, as a faculty member or Program Leader, must exercise all of your teaching skills to make your courses so engaging that the students will want to attend every session! This is not an easy task, but involved faculty members and Program Leaders will find a way.

It must be stressed that student access to library facilities, computers, and reliable internet access will be much more limited than on the home campus. You must take this into account when assigning research papers and other assignments that rely on these resources. Focusing outside class assignments on direct contact with the culture is a wise alternative. It would be a mistake to give assignments requiring the kind of library research expected on Florida State’s main campus. Whenever possible, assignments should be creative mixtures of traditional materials and the international environment.

When you applied to teach abroad, you were asked to submit course descriptions for all study abroad courses. As per the Higher Education Opportunity Act (2008), Section 112, information regarding course materials for courses taught at our study abroad locations must be posted on the FSU Textbook Compliance Portal in Student Central before registration opens for the students. This ensures that the students know about any required texts and course materials that they will need to purchase prior to their departure. Before registration opens for students, you will be asked by an International Programs staff member to submit your textbook information for your courses. International Programs will enter this textbook information into Student Central on your behalf. If you have any questions regarding Textbook Compliance, please contact IP-Faculty@fsu.edu.

COURSE DESCRIPTIONS
Course descriptions will be displayed on the International Programs website for all courses taught abroad.

DIRECTED INDIVIDUAL STUDY (DIS)
You may be asked to accept Directed Individual Study (DIS) requests from students going abroad. There will be no additional compensation given for DIS courses that you accept. In addition, you may be asked to be a Professor of Record by a student participating in an IP International Internship.

SYLLABI
An electronic copy of your final syllabus must be provided to International Programs during the first week of classes. Each syllabus must be as comprehensive as possible, clearly setting forth fully the requirements for the course. It is important that you make the standards for the course absolutely clear in this syllabus at the outset. Objections inevitably arise when new requirements are added mid-course. Grade appeals are often determined by the clarity of syllabi.

University and Faculty Senate policy requires that a course syllabus be distributed at the beginning of the semester. Please visit the following link for further explanations:
http://facsenate.fsu.edu/Curriculum-Resources/Syllabus-Language

The syllabus is required to include:
- University Attendance Policy
- Academic Honor Policy
- Americans with Disabilities Act
ACADEMIC INFORMATION

It is recommended that the syllabus also includes:
- Information about Free Tutoring from FSU
- Syllabus Change Policy
- Written course objectives
- An evaluation/grading statement that indicates what procedures will be used to evaluate students. It should also be possible to discern the approximate weight of each grade component.
- A statement of the faculty member’s policies and/or expectations regarding classroom conduct and missed work.

Additional helpful information to use when creating your syllabi can be found at the following link: http://distance.fsu.edu/instructors/preparing-syllabus-university-approvals

Please keep in mind that faculty members and Program Leaders may be required to provide Non-FSU students with a syllabus of their course(s) so that these students can receive pre-approval from their home institution before going abroad.

There may be other required syllabi entries based on your course's designation. For example, if your course is a Liberal Studies course, there might be additional requirements for the syllabus. Please check with your home department as to any requirements for your specific course(s).

GRADES
All instructors are required to submit their grades online. Grades are submitted through Student Central. For complete instructions on how to submit your grades please visit the following link: http://www.sc.my.fsu.edu/Faculty/How-To/Use-Grade-Rosters-in-Faculty-Center. For “Incompletes,” “No Grades,” or any necessary changes to grades even after the term’s grades have posted, please go to: http://sc.my.fsu.edu/Faculty/How-To/Request-a-Grade-Change.

ATTENDANCE
Rosters are available through Student Central. It is each instructor’s responsibility to ensure that the class roster is correct after the drop/add period is complete.

SOCIAL/CULTURAL EVENTS
International Programs provides social and cultural events for all program participants as part of the program fee. These events may include concerts, lectures, special visits, or day-trips to surrounding locations. Program Leaders must attend all program related social/cultural events, and faculty members are encouraged to also participate in program-planned social/cultural events. Companions of faculty members are invited to participate in such trips on a space-available basis, but they must fund these trips themselves. Past faculty members would agree that participating in such trips was one of the most rewarding aspects of their program because it allowed them to get to know students on a personal basis and share a common learning experience with them.

ACADEMIC FACILITIES
For information on available academic facilities, such as AV equipment, library space, or laboratory space, please contact the London Study Centre staff or IP-Faculty@fsu.edu.

PROGRAM EVALUATIONS
Each student will be asked to complete evaluations of the program. Program evaluations will be provided to the students by an International Programs staff member through an online survey. These evaluations will help us prepare a report on the program and hear the opinions of the students in regards to their overall experience. Faculty and Program Leaders will receive a survey regarding their experience abroad.

COURSE EVALUATIONS
Students will be asked to evaluate the courses that they completed abroad, just as they evaluate courses on main campus. Course evaluations will automatically be ordered and provided to the students electronically by the FSU’s Office of Distance Learning.
ONLINE BANKING
We recommend you set up on-line banking for your bank accounts prior to departure from the U.S. This is the easiest way to track your accounts while overseas and will save you having to make calls home to check account balances and transfers. Please, notify banks of your travel before departure.

Before you leave the U.S., make sure that your ATM or Debit card is activated for international use. PLUS, STAR and CIRRUS cards are the most widely accepted overseas. Remember, your STAR/Debit MasterCard is accepted anywhere the STAR, MasterCard or PLUS symbols are displayed. Please be aware that you will want to make sure your debit/ATM card is linked to a checking account, rather than to a savings account, so you will have access to your funds. You may also want to take a Visa or MasterCard with you, in case of an emergency.

You can limit the fees associated with ATM withdrawals if your U.S. bank has a ‘sister’ bank in London and/or if you limit your withdrawals.

CURRENCY
The unit of currency in Britain is the pound sterling (£), which is divided into 100 pence (p), just as our dollar is divided into 100 pennies. Visit the following web site for the current exchange rate: http://www.xe.com/currencyconverter/

If you are planning on getting some British pounds prior to leaving for London, please note that the UK is in the process of converting their paper money to new plastic notes—£5 and £10 notes only. Some of the banks in the U.S are still selling the old notes, so please specify to your bank that you only want £20 notes.

You need to be aware of the state of the British economy, especially as it affects your independent activities. By most standards, London is a very expensive city. You will find while in the U.K. that leisure activities, such as going to see a movie, are usually at least twice the cost of movies in the U.S. Other things, such as theatre tickets, are a bargain compared to New York prices.
HEALTH

The UK has an excellent health care system. Emergency care will likely be dealt with at the hospital closest to FSU London – University College Hospital. Less urgent situations will likely be dealt with in one of the nearby doctors’ offices or walk-in clinics. Emergency care is free at the time of service while office visits will incur small co-pays for which faculty are responsible up front. In either case, the CISI insurance provided to you should cover it. For more information about your CISI coverage, please see the information provided at the following link:

UK BUNAC Insurance

PRESCRIPTION MEDICATION

You will find it easiest if you bring sufficient quantities of your prescription medications with you to last for the duration of your stay. Carry them through Customs & Immigration in the original containers with legible copies of the prescription. If you cannot obtain sufficient supplies in advance, be aware that UK doctors will not fill a U.S. prescription. A UK doctor will prescribe based on their own diagnosis. Be aware that not all U.S. drugs are available in the UK. Research/Discuss alternative options if you were unable to get permission for advanced prescriptions from your doctor.

INSURANCE INFORMATION

International Programs will provide full medical/evacuation coverage for all approved faculty from the United States through Cultural Insurance Services International (CISI). Students participating in all of our study abroad programs are also covered by this same insurance policy. For more information regarding your coverage, please see CISI’s insurance policy posted on IP’s website at:

UK BUNAC Insurance

You may also request insurance coverage for your companions at a very reasonable price. You will receive a companion form with your acceptance package where you may request this insurance coverage. You will be billed at a later date for the coverage charges. Details regarding the billing and prices of coverage are provided on the companion form.
CELL PHONES & COMMUNICATION

CELL PHONES
Please be aware that a faculty member is required to carry a mobile phone during any class excursion with students for emergency purposes.

If you can unlock your smartphone, the simplest and most cost-effective way to use it in London is to buy a local SIM card. If you will be using your U.S. SIM card and do not have an international plan, before arriving, turn off cellular data and cellular roaming to avoid additional charges. You can then use the phone on Wi-Fi anywhere in London. Wi-Fi is provided throughout the London Study Centre and at faculty housing.

Options for international communication include Skype, FaceTime, Viber, and WhatsApp. If you have a smartphone, download any or all of these apps before you travel abroad in order to activate the account.

If you want an alternative to a smartphone, you may prefer to have a Pay As You Go Top Up mobile phone. The London Study Centre staff will be happy to advise you on the various options once you are in London.

As a part of on-site orientation, the London Study Centre staff will either take faculty to purchase a local SIM card or Pay As You Go Top Up mobile phone OR will reimburse faculty who submit a receipt up to £25 for the cost of a SIM card or mobile phone to be utilized for class related purposes.

As a part of FSU London’s Emergency Preparedness, US faculty are asked to download the app WhatsApp prior to departing the US. Once in the UK, FSU London will create a Faculty/Admin WhatsApp group as means of being able to contact faculty in the event of an emergency.
POLICIES & SAFETY

SAFETY & SECURITY
Our highest priority is the welfare and security of our students, faculty, staff, and facilities. We have emergency plans in place for each of our locations and work closely with our insurers and 24/7 emergency response providers to monitor and respond to all situations worldwide. It is our policy to follow guidance from the respective U.S. Embassies, U.S. State Department, as well as local officials and keep students, faculty, and staff apprised of any new information. For more information on IP’s security policies and procedures, please contact our Director of Risk and Emergency Management, Chris Carroll at 850.644.7823 or ccarroll@fsu.edu.

CAMPUS RESOURCES
Even though you are not on the main campus, you have access to many resources should you encounter issues while abroad. Program staff members are available to support program participants in a variety of ways, including connecting you with other professionals locally and/or on the main campus.

- Victim Advocate Program - The University takes very seriously all types of victimization, including sexual violence, relationship violence, and domestic violence. Advocates are available and on-call 24 hours a day to provide confidential support services, even for students who are abroad. For more information on the Victim Advocate Program, visit http://victimadvocate.fsu.edu.
- University Counseling Center - The Counseling Center is a welcoming and confidential place to discuss questions and concerns such as homesickness, struggles with relationships, sexual identity, cultural issues, and more. Visit https://counseling.fsu.edu for more information.
- Center for Health Advocacy & Wellness - The Center for Health Advocacy & Wellness encourages healthy lifestyle decisions that facilitate academic success and lead to lifelong health and wellness. For more information, visit http://chaw.fsu.edu/

EMERGENCY PROCEDURES
All faculty members and Program Leaders at study centers are responsible for pastoral care of their students in class and during academic excursions.

Safety plans, emergency procedures, and emergency telephone numbers will be provided at the on-site faculty orientation by the study center staff. Notices of any and all crimes and emergencies are to be given to your study center staff (if the program is in a study center location), the International Programs office in Tallahassee, and to the local authorities as soon as possible.

For study center faculty members and Program Leaders, in case of a personal emergency, contact your study center director for assistance. In case of a program-related emergency, follow your study center contingency plan and contact your study center director.

SAFETY & SECURITY MEASURES
- The Smart Traveler Enrollment Program (STEP) is a free service provided by the U.S. Government to U.S. citizens who are traveling to, or living in, a foreign country. STEP allows you to enter information about your upcoming trip abroad so that the Department of State can better assist you in an emergency. We strongly recommend you register here: https://step.state.gov/step/.
- Waivers. All IP participants will be given a Waiver of Liability via email. It must be signed and submitted to IP.
- Be aware that you are subject to the laws of the country in which you are traveling.
- Always carry a photocopy of the picture and signature pages of your passport with you. Keep another copy in your room separate from your passport. Leave one copy at home in the U.S. with your family or a relative.
- Encourage students to use the buddy system—Bystander intervention is a powerful opportunity and responsibility for those within our community.
- Valuables. If a safe is available in program housing, it is encouraged that you use it to store your valuable personal items and important documents. If a safe is not available, be sure to keep these items in a secure place. Plan regular visits to the cash machine rather than leaving large amounts of cash in your room. International Programs is not responsible for items lost or stolen during your time abroad. Be sure to also secure your money, passport, and other valuables if you are traveling on public transportation, especially overnight trains.
- Pickpocketing. In most large cities throughout the world, pickpocketing is the most common crime and can happen...
anytime, anywhere! We caution you to always be aware of your surroundings. While traveling in some areas beware of beggars who try to distract you with papers, boxes, or excessive body movements. Coats and purses are often stolen in crowded areas. Keep them close to you and lock your pack zippers with a combo lock. Secure your valuables if you are traveling on an overnight (“sleeper”) train.

- Weapons. You are strictly prohibited from keeping or using firearms, knives, weapons (including pellet, air guns, paintball guns or other dangerous articles or substances). Furthermore, mace and/or pepper spray may be illegal in the countries that you visit. It is your responsibility to know the laws regarding weapons in the host country if you intend to bring any item for self-defense.
TRAVEL RESOURCES

The more information you find out about the country beforehand, the better off you will be once you get there. Here is a list of a few web sites that may be helpful as you begin your information search:

(Note: The Florida State University is not responsible for the content of external internet sites.)

The Florida State University (the University) is an equal employment opportunity employer and educational provider committed to a policy of non-discrimination on the basis of race, creed, color, sex, religion, national origin, age, disability, veteran or marital status, or any other protected group status. This policy applies to faculty, staff, students, visitors, applicants, and contractors in a manner consistent with applicable federal and state laws, regulations, ordinances, orders and rules, and the University's policies, procedures and processes.
