BEFORE DEPARTURE & ARRIVAL IN VALENCIA

BEFORE DEPARTURE
FSU International Programs is now a Passport Acceptance Facility. Apply for your passport in our office. Call 850.645.9714 or visit international.fsu.edu/Passports.aspx for details. Additionally, passport photos can be purchased in our office. Please call our Passport Acceptance Facility office for details.

ARRIVING IN SPAIN
Please make sure to arrive in Valencia on or before the Approved Arrival Date, which is typically one day before the start of the program. This date can be found in both your appointment letter and Okay to Buy Airline Ticket email.

Upon arrival in Spain, whether Madrid or Barcelona, you will go through passport control and then you will re-check (if necessary) your luggage for the flight to Valencia. You may have to get your boarding card for the final leg of your flight. If you are flying from Madrid to Valencia, you most likely will need to change terminal buildings. Ask at an information booth to confirm if this is the case. The departures boards (TV screens) only show the flight departures for that respective terminal. If you have to change terminals, you will have to take one of the blue and green trams between terminals. When you arrive in Valencia, you will claim your luggage and proceed to the arrival zone. If your arrival day is the same day as the students (between 10:00 am to 4:00 pm), you will see an FSU Valencia representative who will show you to the coach.

AIRPORT/TRAIN TRANSPORTATION
Upon your arrival, if you have chosen FSU Valencia housing, please take a taxi from the airport or train station to the Study Center to get the keys to your apartment. If you have chosen to independently arrange housing, you can either take a taxi to the Study Center or directly to your apartment.

In case of any changes, the Valencia staff will confirm this information in an email before the respective sessions begin.

The maximum taxi price from the airport to the Valencia Study Center or faculty housing should not be more than €25 during the day and €30 during the night or weekends. The standard costs are between €20 and €25.

Broad curriculum faculty can claim (from the TLH IP office) transportation costs from the airport for initial arrival and to the airport for final departure.

In order to receive reimbursement, the faculty member must save receipts and expense receipt(s) must be uploaded to the Concur online travel system. See the attached directions for uploading receipt(s) to the Concur online travel system. If you have issues with the Concur system, please contact FSU Travel or your FSU home department travel rep. Contact ip-submittravel@fsu.edu with any questions about receipts. Travel receipts for reimbursement will not be accepted via email or in person.

VALENCIA STUDY CENTER
Florida State University’s Valencia Study Centers are located in restored buildings in the historic downtown quarter, adjacent to the Serrano Towers. The Centers have been built with care and concern for the architectural treasures uncovered during the renovations. The remains from the 10th-century Arabic wall and 14th-century tanning tanks will be viewed through the reinforced glass floor, and museum displays will be placed throughout the ground floor, highlighting various Roman and Spanish artifacts that were discovered during renovations. The state-of-the-art center includes classroom space, administrative offices, faculty offices, a computer lab, and fully furnished self-contained student apartments.
PROGRAM SPECIFICS

FACULTY ON-SITE ORIENTATION
The first faculty meeting takes place at the Study Center in Valencia usually the day after the faculty arrive. The meeting lasts approximately an hour and after faculty are invited to have lunch. The first official faculty meeting is on Monday of the first week at 9:00 am or 9:30 am and lasts approximately 1 hour. Then, at 10:30 am all faculty are invited to join the Student Academic Orientation in order to participate, and briefly introduce yourself and your courses to the students. Valencia staff will confirm this information in an email sent before the respective sessions begin.

GUESTS & CHILDREN
The FSU Valencia Program tries to promote a family-oriented environment as much as possible for all visiting faculty, but our highest priority remains the students. Faculty members must provide the names and if under 18, ages of any people who will be accompanying them on the program to Program Management on the Guest Insurance Form. Faculty members are asked not to bring unaccompanied children to the Study Centre while they are lecturing. International Programs strongly recommends not bringing guests to class lectures or academic events.

Appropriate daycare and/or babysitting arrangements for any minor guests must be made by each faculty member prior to their arrival to Valencia. Students attending the Valencia program or staff members should not be asked to babysit. We strongly recommend not to bring children under the age of 12 as guests.

Faculty are invited to attend Centre-wide social-cultural events as guests of the study center. We welcome the opportunity such engagement provides for the enhancement of the student experience. Where space allows, faculty guests are invited to attend Centre-wide social-cultural events at their own and depending on space availability. However, we encourage you to consult IP/Valencia Study Centre staff regarding participation in social-cultural events for guests under the age of 12.

HOUSING
Faculty accommodation on our Valencia Program consists of a one-bedroom or double studio apartment sleeping up to two persons. All the faculty apartments or studios will be approximately 10 minutes’ walk from the FSU Valencia Study Center. All apartments have Wi-Fi, a fully equipped kitchen, and a washing machine.

Faculty who wish to augment the standard housing may do so by directly contacting IP to request a housing expense reimbursement instead of accommodation arranged through FSU Valencia.

SOCIAL/CULTURAL EVENTS
Faculty members are welcome to participate in all social and cultural activities. For day trips and social events, faculty will only have to pay for their meals and the cost of the event itself. To participate in the longer and overnight trips, such as Madrid or Barcelona, faculty will be required to pay for some larger expenses. The breakdown of these costs is provided by the Study Centre. The Valencia staff will provide an Academic/Cultural Calendar with all the information before the respective sessions begin.

We will always try our best to ensure a spot for faculty on our overnight excursions but keep in mind that summer is a really busy time and it can be difficult to get extra hotel rooms. We advise you to notify the staff as soon as possible if you are interested in joining any of the overnight trips in order to try and secure a spot on the trip.

FACULTY COMPENSATION
Teaching stipends will be split between the pay periods during your approved program dates. Payments will be deposited automatically to the faculty's checking account, as currently arranged with FSU. Be sure to keep original receipts for expenses incurred for airport transportation, shipping, or airline baggage charges.

For more information regarding compensation, including approved teaching stipend and baggage charge amounts, please refer to your International Programs appointment letter.

SHIPPING/BAGGAGE REIMBURSEMENT
As part of the compensation package, all Valencia study center summer faculty from Tallahassee have reimbursed shipping/baggage costs for books, extra luggage, or other items up to $100. Receipts for shipping/baggage costs should be uploaded to the Concur online travel system. See the attached directions for uploading receipt (s) to the Concur online travel system. Contact FSU Travel or your FSU home department travel rep with issues with the Concur system. Additionally, contact ip-submittravel@fsu.edu with any questions about receipts. Travel receipts for reimbursement will not be accepted via email or in person.
CLIMATE & PACKING
Valencia is warm in the summer and early fall. Average temperatures range from the mid-70s to 90s (Fahrenheit). Temperatures in late fall and winter (November - February) in Valencia usually drop into the 40s at night, rising to the high 60s to low 70s during the day. The winter nights can get cold due to the wind and humidity. We advise you to bring at least a windbreaker or jacket, regardless of the time of year. Spanish dress more conservatively so females should not expect to wear short shorts and spaghetti straps in many places. Although rain is not frequent, when it does rain, it pours. If you make excursions to other cities, you will encounter temperatures even colder than those in Valencia. Rain or snow seems to be a constant in northern Spain in the winter. Europeans, in general, do not heat their buildings as warmly as we do, therefore you must take warm clothing with you, or be prepared to buy it there.

- Most newspapers or websites list the high and low temperatures of Spain in the weather section.
- For updates on weather conditions, check out the website: weather.com.
ACADEMIC INFORMATION

International Programs is a strong proponent of the concept that “The World is Your Campus.” Class sessions need not meet solely in the classroom; we encourage you to use the host city as a living and interactive classroom. Courses taught internationally should be enhanced by their location, and we recommend that you take full advantage of all the resources available to you. The finest museums, theatres, and historical sites are at your disposal, so you will be expected to get your students out into the streets to explore all Valencia has to offer.

CONTACT HOURS
Course-related field trips incorporating academic lectures are classified as classroom contact time for the duration of the lecture or instruction. Course-related field trips without formal accompanying instruction count as half class time for the period allotted by the instructor. For example, if your field trip without formal instruction lasts four hours, only two hours will count as teaching contact hours. The contact time required per credit hour is 750 minutes. A three-credit-hour class will need a total of 37.5 hours of teaching contact time. You are able to utilize travel time to and from the location for instruction.

ACADEMIC RIGOR
Distractions from academic work are part of a student’s life while studying abroad, due to the fact they are in a new and alluring environment. They invariably want to travel and explore. Personal travel and exposure to the culture are important to the educational experience, but this must not be at the expense of academic standards. Therefore, the faculty member or Program Leader should make their courses engaging so that the students will want to attend every session!

Student’s access to library facilities, computers, and reliable internet access will be more limited than on the home campus. Faculty should take this into account when assigning research papers and other assignments that rely on these resources. Focusing outside class assignments on direct contact with the culture is a wise alternative. Whenever possible, assignments should be creative mixtures of traditional materials and the international environment.

When faculty applied to teach abroad, they were asked to submit course descriptions for all study abroad courses. As per the Higher Education Opportunity Act (2008), Section 112, information regarding course materials for courses taught at our study abroad locations must be posted on the FSU Textbook Compliance Portal in Student Central before registration opens for the students. This ensures that students know about any required texts and course materials they will need to purchase prior to their departure. Before registration opens for students, an International Programs staff member asks instructors to submit textbook information for their courses. International Programs enters this textbook information into Student Central on the instructor’s behalf. If there are any questions regarding Textbook Compliance, please contact IP-Faculty@fsu.edu.

COURSE DESCRIPTIONS
Course descriptions are displayed on the International Programs website for all courses taught abroad.

DIRECTED INDIVIDUAL STUDY (DIS)
Faculty may be asked to accept Directed Individual Study (DIS) requests from students going abroad. There is no additional compensation for accepted DIS courses. Instructors may also be asked to be a Professor of Record by a student participating in an IP International Internship.

SYLLABI
An electronic copy of the Faculty finalized syllabi must be provided to International Programs at the conclusion of the first week of classes. Each syllabus should be as comprehensive as possible, clearly setting forth fully the requirements for the course. Course standards should be absolutely clear in each syllabus at the outset. Objections arise when new requirements are added mid-course. Grade appeals are often determined by the clarity of syllabi.

University and Faculty Senate policy require that a course syllabus be distributed at the beginning of the semester. Please visit the following link for further explanations:

http://facsenate.fsu.edu/Curriculum-Resources/Syllabus-Language

The syllabus is required to include:
- University Attendance Policy
- Academic Honor Policy
- Americans with Disabilities Act
The syllabus should also include:

- Information about Free Tutoring from FSU
- Syllabus Change Policy
- Written course objectives
- An evaluation/grading statement that indicates what procedures will be used to evaluate students. It should also be possible to discern the approximate weight of each grade component.
- A statement of the faculty member’s policies and/or expectations regarding classroom conduct and missed work.

Additional helpful information to use when creating syllabi can be found at the following link: [http://distance.fsu.edu/instructors/preparing-syllabus-university-approvals](http://distance.fsu.edu/instructors/preparing-syllabus-university-approvals)

Please keep in mind that faculty members and Program Leaders may be required to provide Non-FSU students with a syllabus of their course(s) so these students can receive pre-approval from their home institution before going abroad.

There may be other required syllabi entries based on a course’s designation. For example, if a course is a Liberal Studies course, there may be additional requirements for the syllabus. Please check with your home department for any requirements specific course(s) may have.

GRADES
All instructors are required to submit their grades online. Grades are submitted through Student Central. For complete instructions on how to submit grades please visit the following link: [http://www.sc.my.fsu.edu/Faculty/How-To/Use-Grade-Rosters-in-Faculty-Center](http://www.sc.my.fsu.edu/Faculty/How-To/Use-Grade-Rosters-in-Faculty-Center). For “Incompletes,” “No Grades,” or any necessary changes to grades even after the term’s grades have posted, please go to [http://sc.my.fsu.edu/Faculty/How-To/Request-a-Grade-Change](http://sc.my.fsu.edu/Faculty/How-To/Request-a-Grade-Change).

ATTENDANCE
Rosters are available through Student Central. Each instructor has the responsibility to ensure class rosters are correct after the drop/add period is complete.

SOCIAL/CULTURAL EVENTS
International Programs provides social and cultural events for all program participants as part of the program fee. These events may include concerts, lectures, special visits, or day-trips to surrounding locations. Program Leaders must attend all program-related social/cultural events, and faculty members are encouraged to also participate in program-planned social/cultural events. Guests of faculty members are invited to participate in such trips on a space-available basis, but they must fund these trips themselves. Past faculty members would agree that participating in such trips was one of the most rewarding aspects of their program because it allowed them to get to know students on a personal basis and share a common learning experience with them.

ACADEMIC FACILITIES
For information on available academic facilities, such as AV equipment, library space, or laboratory space, please contact your Program Coordinator or IP-Faculty@fsu.edu.

PROGRAM EVALUATIONS
Each student is asked to complete evaluations of the program. Program evaluations are provided to students by an International Programs staff member through an online survey. These evaluations help us prepare a report on the program and hear students' opinions in regard to their overall experience. Faculty and Program Leaders receive a survey regarding their experience abroad.

COURSE EVALUATIONS
Students are asked to evaluate the courses they completed abroad, just as they evaluate the courses on the main campus. Course evaluations are automatically be ordered and provided to the students electronically by the FSU's Office of Distance Learning.
ONLINE BANKING
We recommend setting up online banking for bank accounts prior to departure from the U.S. This is the easiest way to track accounts while overseas and will save time calling home to check account balances and transfers. Please, notify banks of travel before departure.

Before you leave the U.S., make sure that your ATM or Debit card is activated for international use. PLUS, STAR and CIRRUS cards are the most widely accepted overseas. Remember, your STAR/Debit MasterCard is accepted anywhere the STAR, MasterCard or PLUS symbols are displayed. Please be aware that you will want to make sure your debit/ATM card is linked to a checking account, rather than to a savings account, to have access to your funds. You may also want to take a Visa or MasterCard with you, in case of an emergency.

You can limit the fees associated with ATM withdrawals if your US bank has a ‘sister’ bank in Spain such as Bank of America has with Deutsch bank.

CURRENCY
Spain uses the euro as the national currency.

- Visit the following website to find the current exchange rate for the euro: xe.com/currencyconverter/

EXPENSES WHILE IN VALENCIA
By most standards, you will find the cost of living in Valencia similar to Tallahassee.
HEALTH

INSURANCE INFORMATION
International Programs provides full medical/evacuation coverage for all approved faculty from the United States through Cultural Insurance Services International (CISI). Students participating in all of our study abroad programs are covered by this same insurance policy. For more information regarding coverage please see CISI’s insurance policy posted on IP’s website at:

CISI Insurance

For Broad Curriculum faculty, IP will provide coverage for one guest during your approved program dates. Faculty will receive a Guest Insurance Form with your acceptance package where insurance coverage can be requested. Insurance coverage for other guests can also be acquired at a very reasonable price. Faculty will be billed at a later date for the coverage. Details regarding the billing and prices of coverage are provided on the guest form.

PRESCRIPTION MEDICATION
Faculty and guests should bring sufficient quantities of prescription medications to last for the duration abroad. Keep these in their original containers with copies of the prescriptions and place them in your carry-on luggage. Be sure to bring a copy of a legible prescription from your doctor. Be aware that not all U.S. drugs are available elsewhere. Please discuss all medications and their procurements with health professionals, and work with insurance companies regarding vacation prescriptions before departure.
COMMUNICATION & ELECTRONICS

CELL PHONES
All Faculty will be provided an FSU cell phone and local SIM card. With this phone:

- Free calls to any local landlines as well as all FSU Valencia Faculty, staff, and Study Center.
- Your family also will be able to contact you on this cell phone.
- NO Internet connection plan included.
- NO international calls included.
- NO mobile calls (only to landlines) included.

We recommend to our students and faculty to buy a local SIM card for their own smartphones, in order to get international calls and data plans. The staff at the study center will assist them with information on purchasing a local SIM card. We will help them with where to go and what to ask for.

So, if you are planning to use a local SIM card on your U.S. phone while in Spain, please:

- Make sure that you UNLOCK your device by calling your phone company before coming to Spain.
- You might ask to put your U.S. plan on hold while abroad and save on your monthly service fee.
- Research with your phone carrier.

If you decide to use your U.S. cell phone with your own U.S. company plan, make sure to turn off Roaming before you leave. Be aware that roaming can be very expensive. Please check with your phone provider about the international roaming services offered. Otherwise, you might end up with a very large phone bill when you get back.

COMPUTERS
There is a computer lab at the Valencia Study Center. Computer cafes are also available in most locations. If you want to bring your laptop, please check if your computer has a built-in transformer that is capable of handling the different voltages. You will also need a converter for the plug. (i.e. from two flat prongs to two round prongs). It is not uncommon for laptop computers to be stolen or broken while abroad, so please note that if you take a laptop with you, it is at your own risk. If you do choose to bring a laptop, check your homeowner’s insurance to make sure that it is covered when you are away from your primary residence. If not covered by your homeowner’s insurance, you may want to check into laptop insurance through safeware.com, a worldwide insurance provider for all electronic devices (e.g. laptop, digital camera, iPod, etc.). They also have a provision for non-electronic personal property.

MAIL
The Spanish mail system is sometimes unpredictable. The Spanish mail system works well if you are sending letters, using international airmail stamps, taking from 10-14 days usually. However, when sending packages overseas, ALL international packages are stopped at Customs. If the recipient of the package is not a Spanish resident themselves, there will be no way for the package to be released to them. Packages can only be released if the recipient has a Spanish TAX ID NUMBER. In this case, the package can be released by paying the customs duty fee which will be 30% on the amount shown as the insured or stated price.

If the package is going to be sent, the commercial value on the package should be between zero and a maximum of $40 dollars if it is an item for personal use. The customs process will delay the delivery of the package from 10 to 30 additional days or completely stop the package from being delivered. Several items cannot be sent from the U.S. due to customs regulations: medicines, cosmetics, and food. THIS APPLIES TO U.S. POSTAL, FED-EX, UPS, ETC!! stated on the package contents, the package will be stopped at Customs and returned to the sender.

WE DO NOT RECOMMEND YOU SEND PACKAGES WITH U.S. POSTAL!

Please do not send packages using the names of Valencia Spanish staff members as a recipient. They will not be able to release them due to problems with the tax office.

You can check all the regulations here:

agenciatributaria.es/
agenciatributaria.es/ AEAT.internet/en_gb/Inicio.shtml

New electronic devices like laptops and digital cameras will always be subject to customs when sent by mail or express delivery. Please check with the shipping company/post office regarding customs duty on any packages sent.

All faculty members should have mail sent to the Valencia Study Center address provided in the
Contact Information section on this packet. You should write the following:

"Faculty First Name and Last Name"
Calle Blanquerias 2
46003 Valencia, Spain

COMMUNICATION OPTIONS
Public phones are found in most cafeterias and bars or wherever you see a blue telephone sign. There are also phone marts throughout the city where phone calls to the U.S. can be made at reasonable rates. Information on the variety of telephone procedures available will be given to you at your orientation in Spain. To dial directly from Spain to the U.S., the international dialing codes are 00 (international prefix); 1 (country code for the U.S.); then dial the number. Calling direct from Spain is less expensive than calling Spain from the United States. Buy a prepaid phone card while in Valencia. Do not purchase the prepaid phone card in the U.S.

Other popular options to keep in touch with family/friends back home include computer programs like:

- Skype [skype.com/en/](skype.com/en/)
- MagicTalk [magictalk.com/](magictalk.com/)

These programs are free to download, so you may communicate with family and friends for free. Both options also have inexpensive calling rates for landlines and cell phones. For smartphones, there are applications called Viber, Whatsapp, and Facetime. If both parties have the application, they can talk for free if they have Wi-Fi access.
SAFETY & SECURITY

Our highest priority is the welfare and security of our students, faculty, staff, and facilities. We have emergency plans in place for each of our locations and work closely with our insurers and 24/7 emergency response providers to monitor and respond to all situations worldwide. It is our policy to follow guidance from the respective U.S. Embassies, U.S. State Department, as well as local officials and keep students, faculty, and staff apprised of any new information. For more information on IP’s security policies and procedures, please contact our Director of Risk and Emergency Management, Chris Carroll at 850.644.7823 or ccarroll@fsu.edu.

CAMPUS RESOURCES

Even though you are not on the main campus, you have access to many resources should you encounter issues while abroad. Program staff members are available to support program participants in a variety of ways, including connecting you with other professionals locally and/or on the main campus.

- **Victim Advocate Program** - The University takes very seriously all types of victimization, including sexual violence, relationship violence, and domestic violence. Advocates are available and on-call 24 hours a day to provide confidential support services, even for students who are abroad. For more information on the Victim Advocate Program, visit [http://victimadvocate.fsu.edu](http://victimadvocate.fsu.edu)

- **University Counseling Center** - The Counseling Center is a welcoming and confidential place to discuss questions and concerns such as homesickness, struggles with relationships, sexual identity, cultural issues, and more. Visit [https://counseling.fsu.edu/](https://counseling.fsu.edu/) for more information.

- **Center for Health Advocacy & Wellness** - The Center for Health Advocacy & Wellness encourages healthy lifestyle decisions that facilitate academic success and lead to lifelong health and wellness. For more information, visit [http://chaw.fsu.edu/](http://chaw.fsu.edu/)

EMERGENCY PROCEDURES

All faculty members and Program Leaders at study centers are responsible for the pastoral care of their students in class and during academic excursions. Safety plans, emergency procedures, and emergency telephone numbers are provided at the on-site faculty orientation by the study center staff. Notices of any and all crimes and emergencies are to be given to the study center staff (if the program is in a study center location), the International Programs office in Tallahassee, and to the local authorities as soon as possible.

For study center faculty members and Program Leaders, in case of a personal emergency, contact your study center director for assistance. In case of a program-related emergency, follow your study center contingency plan and contact your study center director.

SAFETY & SECURITY MEASURES

- **The Smart Traveler Enrollment Program (STEP)** is a free service provided by the U.S. Government to U.S. citizens who are traveling to or living in a foreign country. STEP allows you to enter information about your upcoming trip abroad so that the Department of State can better assist you in an emergency. We strongly recommend you register here: [https://step.state.gov/step/](https://step.state.gov/step/).

- **Waivers**. All IP participants will be given a Waiver of Liability via email. It must be signed and submitted to IP.

- **Be aware that you are subject to the laws of the country in which you are traveling.**

- **Always carry a photocopy of the picture and signature pages of your passport with you. Keep another copy in your room separate from your passport. Leave one copy at home in the U.S. with your family or a relative.**

- **Encourage students to use the buddy system—Bystander intervention is a powerful opportunity and responsibility for those within our community.**

- **Valuables**. If a safe is available in program housing, it is encouraged that you use it to store your valuable personal items and important documents. If a safe is not available, be sure to keep these items in a secure place. Plan regular visits to the cash machine rather than leaving large amounts of cash in your room. International Programs is not responsible for items lost or stolen during your time abroad. Be sure to also secure your money, passport, and other valuables if you are traveling on public transportation, especially overnight trains.
• Pickpocketing. In most large cities throughout the world, pickpocketing is the most common crime and can happen anytime, anywhere! We caution you to always be aware of your surroundings. While traveling in some areas beware of beggars who try to distract you with papers, boxes, or excessive body movements. Coats and purses are often stolen in crowded areas. Keep them close to you and lock your pack zippers with a combo lock. Secure your valuables if you are traveling on an overnight (“sleeper”) train.

• Weapons. You are strictly prohibited from keeping or using firearms, knives, weapons (including pellets, air guns, paintball guns or other dangerous articles or substances). Furthermore, mace and/or pepper spray may be illegal in the countries that you visit. It is your responsibility to know the laws regarding weapons in the host country if you intend to bring any item for self-defense.
Travel Resources

The more information you find out about the country beforehand, the better off you will be once you get there. Here is a list of a few web sites that may be helpful as you begin your information search:

The Florida State University (the University) is an equal employment opportunity employer and educational provider committed to a policy of non-discrimination on the basis of race, creed, color, sex, religion, national origin, age, disability, veteran or marital status, or any other protected group status. This policy applies to faculty, staff, students, visitors, applicants, and contractors in a manner consistent with applicable federal and state laws, regulations, ordinances, orders and rules, and the University's policies, procedures, and processes.
