Welcome to the International Programs (IP) family! Please review the following steps you need to take in preparation for your program abroad.

**FLIGHT ARRANGEMENTS**
There is no group flight for this program and your program fee does not include airfare. Do not purchase your airfare until you are notified by International Programs to do so, unless you are participating in one of the programs listed below*. You will receive an email from IP-Info@fsu.edu after the commitment fee due date for your program with information regarding arrival and departure dates, and airport pick-up times, if applicable. If you choose to purchase airfare before you are instructed to do so, International Programs is not responsible for any fees associated with your flight changes or cancellations. Be aware there may be additional costs associated with missing group airport pickup(s) if they are offered. You must arrive to your study abroad location on the start date of your program, as stated on the International Programs website. Housing accommodations will not be provided before the start date or after the end date of your program.

*You may purchase your airfare if you are admitted and fully intend to participate in one of the following programs: Florence Broad Curriculum, London Broad Curriculum, Panama Broad Curriculum, or Valencia Broad Curriculum. You should arrive in your study abroad location on the start date of the program and depart on the end date of your program as stated on the International Programs website. Reference the Site Specific packet that is located under the Dates and Docs tab on your program page for details. All on-site orientations are mandatory and you are only guaranteed housing during your program dates, so plan accordingly.

**PRE-DEPARTURE ORIENTATION MEETING**
A date, time, and location for your pre-departure orientation meeting will be announced in the coming weeks. Please check your email account frequently for updates from International Programs (IP-Info@fsu.edu).

**PASSPORT INFORMATION**
Many countries require your passport be valid for at least six to eighteen months after your date of return into the U.S. Students requiring more than six months of passport validity will be notified by the International Programs office.

Students who do not have a passport at the time of application or do not have at least six months of validity from the end of the program should apply for one IMMEDIATELY! Please review estimated passport processing times and visa deadlines (if applicable), as it may be necessary to expedite the order. Any financial penalties associated with delayed arrivals or cancellations will be your responsibility. You may access the following website for instructions and passport applications:
https://travel.state.gov/content/travel/en/passports.html
FSU International Programs is a U.S. Passport Acceptance Facility, therefore you can apply for your passport and have passport photos taken in our office. For details, call 850.645.9714 or visit http://international.fsu.edu/Passports.aspx.

After you receive your passport, make several photocopies of the pages that contain the issue date, your signature, and your photograph. Leave one copy at home with your family and take another copy with you in case your passport is lost or stolen. Carry a copy separate from your passport when you are traveling.

You will also need to provide one copy to our Tallahassee office. Make sure the passport is signed before you submit a copy to our office. You can send the copy to IP-Info@fsu.edu through a secure system such as FSU Dropbox. Instructions on how to use FSU Dropbox can be found online: https://dropbox.fsu.edu/about.php. You may also send it by mail or drop it off at our office during business hours. Do not email it!

**STUDENT VISAS**
Certain countries require student visas regardless of country of origin, while other countries may require a student visa only of non-U.S. citizens. Rules, requirements, and procedures change frequently. Visit the Visa tab of your program page on the International Programs website for more information. Any non-U.S. citizen or a U.S. citizen living outside of the U.S. should contact our Visa Specialists at IP-Visas@fsu.edu as soon as possible. A non-U.S. citizen or a U.S. citizen living abroad may be required to apply on their own or may have additional visa requirements.

**PROGRAM FEES**
You must complete your payments and/or a Fee Deferment Form by the payment dates listed for your program (visit the Dates & Docs tab on your program page on the International Programs website). Mark your calendar with the payment deadlines for your program. If you apply to the program after these dates have passed, you must complete the relevant program payments or submit a deferment form immediately to be eligible for your admittance. Students who are late in completing program payments or filing a deferment form run a substantial risk of being cancelled from the program and may still be liable for fees. Should you wish to cancel on or prior to the published due date, your cancellation must be placed in writing to IP-Cancel@fsu.edu to be valid.

For more information about our fee liability and refund policy, visit your program page on the International Programs website, and navigate to the Money Matters tab.
INTERNATIONAL PROGRAMS FEES

Florida State University assesses a Technology Fee (a rate per credit hour for all students, regardless of location of study) which is NOT included in the International Programs fee. The technology fee is assessed once the student registers for classes for a given semester; this fee is paid directly to Student Business Services. To pay the fee, you may mail a check directly to Student Business Services, A1500 University Center, Tallahassee, FL 32306-2394 or remit payment online at www.fees.fsu.edu. Failure to pay this fee will result in a late payment charge assessed to the student by Student Business Services (http://studentbusiness.fsu.edu/payments).

International Programs has no control over the technology fee or any associated late payment penalty.

NON-FSU STUDENTS (TRANSIENT STUDENTS)
If you are a degree-seeking student at an institution other than FSU, you will be admitted as a transient student for the term you will be studying abroad. Your admission to the University as a transient student is necessary for registration and grade-recording purposes. It is your responsibility to ensure the credits you earn while studying abroad with Florida State University will transfer back to your home institution. Please plan to meet with your academic advisor to ensure the credits you earn while studying abroad will fit into your academic plan and that you will receive appropriate credit. It is up to your institution to approve study abroad credits toward your degree and to determine whether or not the grades will be calculated into your GPA.

If you have not already activated your FSUID, please do so as soon as possible. Having an FSUID does not mean your account is automatically activated. You must take the necessary steps to activate it. The directions for activating your FSUID are provided online: https://fsuid.fsu.edu/OIMSelfService/. Your FSUID will give you access to the myFSU portal, Student Central, your @my.fsu.edu account, and Canvas. You must have an activated FSUID in order to register for classes.

Please contact the International Programs Financial Aid Advisor, Rod Mack (Rmack@fsu.edu, 850.644.7822) or the Accounts Manager, Gina Mathis (Gmathis@fsu.edu, 850.644.2150) with any questions about financial aid.
INOCULATION/MEDICAL CONCERNS AND SPECIAL NEEDS
Florida State University requires certain immunizations prior to your registration for classes. All recently admitted FSU degree-seeking students (freshman and transfer students) and non-FSU students must complete the required Student Immunization Form. The form must be mailed or faxed directly to Florida State University Health Services, Health Compliance Office, 960 Learning Way, Tallahassee, FL 32306-4178, fax (850) 644-8958.

It is very important that you make yourself aware of specific requirements and health matters in your program location. The FSU Health and Wellness Center offers a travel clinic which provides immunizations. Additional information is available through the Centers for Disease Control and Prevention’s site: www.cdc.gov/travel/. Please note that some countries have specific requirements for inoculations based on past locations the traveler has visited. It is the student’s responsibility to confirm whether or not the previous travel requires additional inoculations.

Be sure to bring sufficient quantities of any prescription medications with you to last the duration of your stay. Keep these in their original containers. Bring a copy of a legible prescription from your doctor and be aware that not all U.S. drugs are available elsewhere. In particular, Adderall and Concerta are not available in all countries. Don’t postpone discussing your prescription needs with your doctor.

You will likely need to work with your insurance company to cover your vacation prescription. If you experience difficulty in obtaining a prescription for your time abroad, seek assistance from our office. If you use glasses or contact lenses, take an extra pair and/or the prescription. Complete routine medical and dental care before you leave.

If you wish to receive accommodations for special needs, it is imperative that you register with the FSU Student Disability Resource Center (SDRC) as soon as possible, so we can assess our ability to provide appropriate accommodations. For more information, please visit their website: https://dos.fsu.edu/sdrc/. Non-FSU students should provide documentation from the disability resource center on their home campus.

INSURANCE
Your Program Fee includes international medical and evacuation coverage. Here is a link to the policy coverage: International Protection Plan (http://international.fsu.edu/Documents/HealthSafety/CISIIInsurancePolicy.pdf) underwritten by ACE American Insurance Company and handling for us by Cultural Insurance Services International, 1 High Ridge Park, Stamford, Connecticut 06905-1322. The coverage will be effective for participants from the day the program starts until the day the program ends. Please note: this policy is NOT intended to replace your domestic coverage. You must maintain your domestic policy in compliance with the Affordable Care Act.

COURSE REGISTRATION
It is your responsibility to register for classes for the term(s) you will be abroad. You will receive an email from International Programs informing you when registration is open with step-by-step instructions for online registration. Our registration periods are different from main campus registration periods. Typically, IP Summer registration opens mid-March, IP Fall registration opens mid-July, and IP Spring registration opens mid-November. Details about textbooks and other course related materials will be provided when you are notified to register for classes.

Prior to registration, please check your account on my.fsu.edu for any registration holds. Take care of all holds before registration opens. If you have a hold on your account, you will not be able to register for classes. Many classes have caps and do fill up quickly. It is your responsibility to be ready for registration so you are able to enroll in the classes you wish to take while abroad. As a reminder, all non-FSU students must return their Immunization/Insurance form before they can register for classes. You can find the form online: https://studentinsurance.fsu.edu/sites/g/files/upcbnu1676/files/docs/New-Compliance-Form.pdf.

MONEY AND CURRENCY
Bring or have access to at least one credit card in the event of an emergency. If you need to visit a doctor or hospital, you will likely have to pay prior to the service, and then submit an insurance claim for reimbursement. Credit cards are also useful for everyday purchases and offer excellent exchange rates. MasterCard and Visa are the most widely accepted credit cards overseas. A credit card with “chip and pin” technology is recommended, as this is the standard abroad.

PLUS, STAR and CIRRUS cards are the most widely accepted overseas. A STAR/Debit MasterCard is accepted anywhere the STAR, MasterCard or PLUS symbols are displayed. Make sure your debit/ATM card is linked to a checking account, rather than to a savings account, so you will have access to your funds. If you have a pin longer than 4 digits or based on letters, you may have trouble using it abroad. You will need to change your pin before departure. You should also contact your financial institution(s) for information regarding ATM transaction fees. You can limit the fees if your U.S. bank has a ‘sister’ bank in the host country and/or if you limit your withdrawals, though we do not advise keeping large sums of money on your person or stored in your residence, even if a safe is provided. If a safe is not provided, we encourage students to lock valuables in their suitcase when leaving the housing accommodation.
