Website: https://au.usembassy.gov/embassy-consulates/sydney/

INTERNATIONAL CALLS
Making international calls from the U.S. to Australia: First
dial “011” (for international call), followed by “61” (the
country code), then the specific area code (dropping the first
zero) and location number.

Time Differences: Sydney is 16 hours ahead of Tallahassee.
ACADEMIC MATTERS
This program is first and foremost an academic one, so you should be prepared to invest as much time, effort and thought into your coursework as you do on your home campus. Since classes are small, you will have more interaction with your fellow students and with faculty than you have on main campus. There will be a greater emphasis on participation in class discussions. This means you must be prepared to maintain a high level of performance. FSU students are encouraged to get involved with the Garnet and Gold Scholar Society and the Global Citizenship Certificate program. These two resources provide special recognition as global-ready graduates.

Please Note: There will be online coursework for this program before and after the trip to Sydney.

TUTORING RESOURCES
There are a number of tutoring resources available at Florida State University to assist students academically, both in Tallahassee and abroad. Online tutors are available through the following programs:

- **Reading & Writing Center (RWC)**
  [http://wr.english.fsu.edu/Reading-Writing-Center/RWC-Online](http://wr.english.fsu.edu/Reading-Writing-Center/RWC-Online)

- **Academic Center for Excellence (ACE)**
  [http://ace.fsu.edu/](http://ace.fsu.edu/)
  ACE provides free tutoring in many subject areas, including accounting, biology, chemistry, economics, math, statistics, and physics.

- **University Libraries**
  [https://www.lib.fsu.edu/](https://www.lib.fsu.edu/)

STUDENT DISABILITY RESOURCE CENTER (SDRC)
SDRC provides reasonable and appropriate accommodations for students with documented disabilities. Documented disabilities and accommodations vary in nature, and though the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 do not apply extraterritorially, we do our best to accommodate our students. If you anticipate needing to request accommodations for a documented disability, please schedule an appointment with the SDRC by calling 850-644-9566 (Voice) or 850 644-8504 (TDD) and provide appropriate information on your Special Needs form. For more information, visit
[http://dos.fsu.edu/sdrc](http://dos.fsu.edu/sdrc).
**VISA REQUIREMENTS FOR U.S. CITIZENS**

- **Passport:** Many countries require your passport be valid for at least six to eighteen months after your date of return into the U.S. Students requiring more than six months of passport validity will be notified by the International Programs office.

  Students who do not have a passport at the time of application or do not have at least six months of validity from the end of the program should apply for one IMMEDIATELY! Please review estimated passport processing times and visa deadlines (if applicable), as it may be necessary to expedite the order. Any financial penalties associated with delayed arrivals or cancellations will be your responsibility. You may access the following website for instructions and passport applications:

  [http://travel.state.gov/content/travel/english.html](http://travel.state.gov/content/travel/english.html).

  FSU International Programs has a U.S. Passport Acceptance Facility, so you can apply for your passport and have passport photos taken in our office. For details, call 850.645.9714 or visit [http://international.fsu.edu/Passports.aspx](http://international.fsu.edu/Passports.aspx).

- **Copy of Passport Pages:** After you receive your passport, make several photocopies of the pages that contain the issue date, your signature, and your photograph. Leave one copy at home with your family, send one copy to our Tallahassee office, and take another copy with you in case your passport is lost or stolen. Carry a copy separate from your passport when you are traveling.

- **Visa Instructions:** A travel visa is required for U.S. citizens. Instructions on Visa process will be provide by International Programs – Immigration. Additional fees may apply. Non-U.S. passport holders, contact International Programs as soon as possible.

- **Flight / Visa Restrictions:** Flights must be purchased as a ROUND TRIP flight and must stay within the dates of your Australian Visa.

- **Travel outside the Program:** Due to visa processing times, international travel during the months prior to the start of the program will be limited. Please contact an Immigration Specialist at IP-Visas@fsu.edu if you have international travel plans.

---

**VISA REQUIREMENTS FOR NON-U.S. CITIZENS AND U.S. CITIZENS LIVING ABROAD:**

Non-U.S. citizens and U.S. citizens living abroad are asked to contact an International Programs' Immigration Specialist at IP-Visas@fsu.edu. You may be required to apply for a visa on your own or you may have additional visa requirements and expenses.

All visa information is correct at the time of publication, but terms, fees, and guidelines are subject to change without notice.
FLIGHT INFORMATION
There is no group flight for this program and your Program Fee does not include airfare.

You should purchase a ticket that will allow you to arrive in Sydney, Australia on the first day of your session, July 3, 2017. You will most likely need to depart the United States two days before the program’s start date, in order to arrive on time. All orientation/welcome activities are mandatory.

Your return flight should depart Sydney no earlier than the last day of your session, July 22, 2017. You must check out of program housing on the morning of that day. You will be responsible for getting yourself to the airport in time for your departure.

Students arriving before the start date must make arrangements to stay in a hotel.

Once you have completed your travel arrangements, all students must email their flight arrangements to the IP Office (ip-info@fsu.edu). It is very important that International Programs receives this information in order to monitor student arrivals. You may want to consider purchasing travel insurance when booking your flight.

IN TRANSIT
- **Domestic flights.** In general, arrive at the airport ticket counter **two hours** before your departure time. Check with your specific airline to find out the recommended pre-flight allowance.
- **International flights.** Arrive at the airport ticket counter **three hours** before your departure time.
- **Keep your boarding pass.** Some airlines require it for baggage claim. Also, it will help if your luggage gets lost.
- **Have your passport accessible.**
- **During your flight,** drink lots of water and get up and walk around at least once during the flight. Try to sleep; it will help you combat jet lag. Wear layers as the temperature on the plane and in airports may vary.

ARRIVING IN SYDNEY, AUSTRALIA
When you arrive in Sydney, you can take a cab from the Sydney International Airport to the housing. The cost will likely be between $32 and $45 but the cab can be shared with other students that are arriving with you or at a similar time as you.

You can also take Sydney Transport from the International Airport Station. The cost for this will likely be about half the cost of a taxi. You will receive an Opal transportation card from your program leader when you arrive at the housing during the on-site orientation. For this reason, you should buy a single trip ticket to the housing, and then once you arrive you will be given your Opal card with money on it for your time in Sydney.
BEFORE DEPARTURE & PROGRAM SPECIFICS

HOUSING
Rooming assignments and locations will be made based on a combination of factors such as type of program, housing preference form, and special needs form. Roommate assignments will be communicated upon arrival, and cannot be changed.

During your on-site orientation, you will be advised of the Housing Rules & Regulations. Violation of any of the housing policies is grounds for dismissal. For contractual details about your program housing, rules, and regulations for your specific program, please refer to the FSU International Programs Contractual Agreement located in the Important Forms packet and the Housing Terms and Conditions located in this document.

You are required to sign the FSU International Programs Contractual Agreement as it outlines your contractual obligations as a participant on our program.

More information about the location of the housing will be provided during the mandatory pre-departure orientation.

TRANSPORTATION IN SYDNEY
The best way to get around Sydney is by walking or by bus. The bus takes the Opal Card, which will be provided to you by the Program Leaders at your on-site orientation. There is a Sydney Transport app that you can download which will tell you the closest place to catch the bus and which bus to take to reach your destination. Ferries are also a great way to get around in Sydney and they take the Opal Card. Only use marked taxis during your time abroad.
PERSONAL TRAVEL
You are no doubt eager to explore areas of your study abroad location. **It is best to wait until you have arrived in your study abroad location before you book any independent travel, unless instructed to do so by your Program Leader.** Waiting until classes have started will allow you to make your plans around the following factors:

- Academic deadlines for exams, papers and presentations. You do not want to book a once-in-a-lifetime trip somewhere only to discover that you have a major research paper due around that time.
- You will receive a cultural calendar of activities planned for all students upon your arrival.
- The travel plans of your peers. One of the joys of studying abroad is the opportunity to build friendships through travel and shared experiences.
- Many low-cost local airlines are difficult to access in the U.S., so it is best to wait until you are in Australia to save money. Two large airlines are Quantas and Virgin Australia, but they are not necessarily the cheapest options.

Do not plan travel that will cause you to miss classes; strict academic standards will be maintained on the programs.

Summer programs may have mandatory academic excursions that take place over a weekend. Participants of summer programs should be flexible with their weekend plans. Due to the compact nature of the summer programs, course meeting times will be intensive and independent travel time may be limited.

For safety purposes, you will be instructed by the International Programs staff and Program Leaders to fill out a mandatory online independent travel form each time you plan on traveling outside of your study abroad location. More information will be provided to you in an email from **IP-Info@fsu.edu** prior to departure.

CLIMATE & PACKING
All airlines have different policies regarding the number, size, and weight of bags allowed on domestic and international flights. Fees for having too many bags or exceeding size and weight limits are steep, and also vary by airline. It is important that you determine the restriction on your particular airline before you pack. **Please be aware that you will be responsible for carrying your own bags, packs, etc.** Restrictions regarding carry-on baggage are different for each airline and sometimes vary depending on your originating, transferring and/or terminating airport. Also, requirements change based on current events. It is imperative that you check your specific requirements just prior to your departure and plan accordingly. Use the IP luggage tag and luggage strap you received to ensure your bag is marked in capital letters with your name, address, and final destination both on the inside and on the outside of the bag. It is recommended that you pack 1 or 2 outfits in your carry-on in case of flight delays/cancellations or lost luggage.

Do not plan travel that will cause you to miss classes; strict academic standards will be maintained on the programs.

When packing for this program, please remember that Sydney is located in the southern hemisphere and that it will be winter in July. It is advisable to bring a warm jacket or coat, sweaters/cardigans and good walking shoes or boots. You will also want to bring warm indoor clothing. Although it is winter, the sun can be much hotter than in Florida, so it is important to bring sunscreen. For updates on weather conditions, visit: [www.weather.com](http://www.weather.com).

There are many U.S. brand name stores like Target in Australia. However, most things are more expensive than US. It is best to bring your makeup, toiletries, etc. from the U.S. You should not bring any valuable or sentimental items such as jewelry, expensive watches, expensive cameras, or keepsake items you would regret losing. You also don’t want to bring any electrical appliances such as hair dryers, heaters, etc. The electricity in Australia is twice as powerful as U.S. and will cause these items to burn out. You will need to bring an adapter so that your U.S. electronic devices can plug into Australian plugs.

Explore the [International Programs Pinterest account](https://www.pinterest.com) for more packing tips!
COMMUNICATION & ELECTRONICS

MAIL
Due to the length of this program, it is not advised to send items to or from Australia by mail, and mailing to and from the U.S. is expensive.

CELL PHONES & COMMUNICATION
While it is not mandatory that you buy or rent a cell phone while you abroad, it is highly recommended. Past students have found that it is easiest to buy a phone and pay for calls and messages as you go. The phones can be used for both calls in your study abroad location and for calls to and from the U.S. Local stores will sign you up with the carrier who is offering the best rates available at the time of your purchase. Calls made or received while you are in other countries may be very expensive.

If you decide to use your U.S. cell phone, contact your provider to find out about possible international plans and roaming charges that may apply.

Or, more likely if you own an unlocked phone, you will want to buy a sim card-only plan. These can be month to month and cost about $32/month with a student discount for 1.5 GB unlimited talk and text in AU and to U.S. and selected countries: 6GB $45; 9 GB $54. These are AU dollars. For more info on one carrier, Optus, check https://offer.optus.com.au/student-hub?SID=con:simbyo:learn:2:student Or check other carriers offering plans in Sydney.

Sling Box, Netflix, Amazon, HBOGO and other services work in Sydney, but there are limitations. Netflix and some other services have license issues, so you will be linked instead to the Australian version of Netflix. There will be similar content but not identical.

Broadband service in Australia is not as fast as the U.S., so streaming movies and TV is sometimes problematic. It might work, but it is best to buy and download movies or shows in the U.S. for later viewing in Australia. Downloading can be slow in Australia. However, local Australian TV is good and you can likely get by without other video services.

COMPUTERS
If you want to bring your laptop please check if your computer has a built-in transformer that is capable of handling the different voltages. You will also need an adapter for the plug (i.e. from flat to round prongs). Please note that if you take a laptop with you, it is at your own risk. If you do choose to bring a laptop, check your homeowner’s insurance to make sure that it is covered when you are away from your primary residence. If not covered by your homeowner’s insurance, you may want to check into laptop insurance through www.safeware.com, a worldwide insurance provider for all electronic devices (e.g. laptop, digital camera, iPod, etc.). They also have a provision for non-electronic personal property. Do NOT pack your laptop in your checked luggage.

Other popular options to keep in touch with family/friends back home include applications like Skype, Whatsapp, Face Time and Viber. You may communicate with family and friends for free using Wifi. These options also have inexpensive calling rates for landlines and cell phones.
EXPENSES WHILE ABROAD
In estimating your financial needs while you are abroad, calculate the amount of money you will need for meals for the entire period of your stay; your transportation and lodging costs for any personal trips you will be taking on the weekends, and your personal entertainment and social activities costs.

- A good way to estimate what you might need abroad is to assume that whatever you spend here in the U.S. (in dollars), you will spend the same (numerical) amount in the currently of your study abroad location. Take into account current exchange rates when calculating how much money you are going to spend.

CURRENCY
Australia uses the Australian Dollar as the national currency. Exchange some U.S. Dollars ($75-$100) to Australian Dollars before you leave the U.S. Do not exchange more than $100; you just need enough to get you to your study abroad location and to a bank abroad. Visit http://www.xe.com/currencyconverter/ for the current exchange rate. The exchange rate from USD to AUD is generally favorable to Americans.

BANKING
We recommend you set up online banking for your bank accounts prior to departure from the U.S. so you can monitor your account while overseas. The easiest way to access money while abroad is with an ATM card. You can use a Debit Card at any ATM to withdraw cash whenever you need it.

Bring or have access to at least one credit card in the event of an emergency. If you need to visit a doctor or hospital, you will likely have to pay prior to the service, and then submit an insurance claim afterward. Credit cards are also useful for everyday purchases and offer excellent exchange rates. MasterCard and Visa are the most widely accepted credit cards overseas. A credit card with “chip and pin” technology is worth considering, as this is the standard abroad. Be sure you know your pin even if you have no chip, as many places will require it.

Be sure to check your bank or credit card company’s policy on international purchases. There may be an international fee associated with your card.

If you intend to use an ATM or debit card overseas, contact your financial institution(s) before you leave the U.S. to make sure your ATM or debit card is activated for international use. You will also need to inform them of your dates/location abroad. If you fail to contact your financial institution(s), it is not unusual for credit card companies to “freeze” an account if suspicious or fraudulent activity is suspected. PLUS, STAR and CIRRUS cards are the most widely accepted overseas. A STAR/Debit MasterCard is accepted anywhere the STAR, MasterCard or PLUS symbols are displayed. Make sure your debit/ATM card is linked to a checking account, rather than to a savings account, so you will have access to your funds. If have a pin longer than 4 digits or based on letters, you may have trouble using it abroad. You will need to change your pin before departure. You should also contact your financial institution for information regarding ATM transactions fees. You can limit the fees if your U.S. bank has a ‘sister’ bank in the host country and/or if you limit your withdrawals, though we do not advise keeping large sums of money on your person or stored in your residence, even if a safe is provided.

Keep a record of all credit/debit/ATM card numbers and the phone numbers you would need to call, with area codes, if they are lost or stolen. Keep this record in a safe place separate from your cards, and you should provide a copy to family at home.

For those who receive financial aid, ensure that any student loans you have requested will be available for disbursement during the term you are abroad. Disbursement usually occurs after students have left the U.S., so make arrangements for your check to be deposited, if that is your chosen method of disbursement.
**IMMUNIZATIONS/MEDICAL CONCERNS**

Florida State University requires certain immunizations prior to your registration for classes. Recently admitted FSU degree-seeking students (freshman and transfer students) must complete the required Student Immunization Record. All non-FSU students must submit their required Student Immunization-Insurance Record. Both forms can be downloaded here: [http://studentinsurance.fsu.edu/immunizations.html](http://studentinsurance.fsu.edu/immunizations.html)

Forms must be mailed or faxed directly to Florida State University Health Services, Health Compliance Office, 960 Learning Way, Tallahassee, FL 32306-4178, fax (850) 644-8958.

It is very important that you make yourself aware of specific requirements and health matters in your program location. The Health and Wellness Center offers a travel clinic which provides immunizations ([http://www.tshc.fsu.edu/travel.html](http://www.tshc.fsu.edu/travel.html)). Additional information is available through the Centers for Disease Control and Prevention’s site: [www.cdc.gov/travel/](http://www.cdc.gov/travel/). Please note that some countries have specific requirements for inoculations based on past location the traveler has visited. It is the student’s responsibility to ensure previous travel has not triggered additional requirements.

- A tetanus booster shot is suggested if you have not had one within the past 10 years.
- Specify every health concern you have on your Medical Self-Report Form (in Important Forms Packet).
- We highly recommend that you bring sufficient quantities of your prescription medication with you to last for the duration of your stay. Keep these in their original containers with copies of the prescriptions and place them in your carry-on luggage. Be sure to bring a copy of a legible prescription from your doctor and be aware that not all U.S. drugs are available elsewhere. In particular, Adderall and Concerta are not available in all countries. Don’t postpone discussing your prescription needs with your doctor. After discussing medications with your doctor, students will need to work with their insurance company to cover the vacation prescription. Students who experience difficulty in obtaining a vacation prescription should seek assistance from our office.
- If you wear glasses or contact lenses, take an extra pair and/or the prescription.
- Complete routine medical and dental care before you leave.

The CISI insurance provided is included in your program fee and the policy is available on our website: [http://international.fsu.edu/Documents/HealthSafety/CISIInsurancePolicy.pdf](http://international.fsu.edu/Documents/HealthSafety/CISIInsurancePolicy.pdf). You will want to familiarize yourself with the coverage details.

**ALCOHOL AWARENESS & ILLEGAL DRUGS**

The legal age for the drinking of alcohol in Australia is 18. This means that you will likely have the opportunity to buy and drink alcohol legally. It is in your interest to recognize that this right carries a great deal of responsibility. International Programs has a strict code of conduct relating to the use of alcohol, violations of which will likely result in a judicial hearing with the possible sanction of being dismissed from the program. In short, know your limits and drink within moderation if you choose to do so, but not to excess.

Florida State University has a zero-tolerance policy regarding the possession, use, manufacture, production, sale, exchange or distribution of illegal drugs by students participating in FSU study abroad programs. Violation of this policy may result in immediate dismissal from the program and disciplinary action onsite or upon return to campus. International Programs’ policies follow either the U.S. law or local law, whichever is more stringent with regard to drug use. For complete information on student judicial processes, victim’s rights, and appeals see the Student Conduct Code at: [http://dos.fsu.edu/srr/](http://dos.fsu.edu/srr/).
**POLICIES & SAFETY**

**RULES, POLICIES & PROCEDURES**
Florida State degree-seeking, transient, and special students are bound by the rules, policies, and procedures set forth in the FSU General Bulletin and Student Handbook. It is your responsibility to familiarize yourself with these before you leave. You may locate the FSU General Bulletin online at [http://registrar.fsu.edu/](http://registrar.fsu.edu/) and The Code of Student Conduct at [http://dos.fsu.edu/srr/conduct-codes/student-conduct-code](http://dos.fsu.edu/srr/conduct-codes/student-conduct-code). The Office of Student Rights and Responsibilities updates any changes to the Code of Student Conduct.

**SAFETY & SECURITY**
Our highest priority is the welfare and security of our students, faculty, staff and facilities. We have emergency plans in place for each of our locations and work closely with our insurers and 24/7 emergency response providers to monitor and respond to all situations worldwide. It is our policy is to follow guidance from the respective U.S. Embassies, U.S. State Department, as well as local officials and keep students abreast of any new information. For more information on IP’s security policies and procedures, please contact our Director of Risk and Emergency Management, Chris Carroll at 850.644.7823 or ccarroll@fsu.edu.

- **Resources.** Even though students are not on the main campus, they have access to many resources should they encounter issues while abroad. Program staff members are available to support students in a variety of ways, including connecting students with other professionals locally and/or on the main campus.
  - **Victim Advocate Program.** The University takes very seriously all types of victimization, including sexual violence, relationship violence, and domestic violence. Advocates are available and on-call 24 hours a day to provide confidential support services, even for students who are abroad. For more information on the Victim Advocate Program, visit [http://victimadvocate.fsu.edu](http://victimadvocate.fsu.edu).
  - **University Counseling Center.** The Counseling Center is a welcoming and confidential place to discuss questions and concerns such as homesickness, struggles with relationships, sexual identity, cultural issues, and more. Visit [http://counseling.fsu.edu/index.shtml](http://counseling.fsu.edu/index.shtml) for more information.
  - **Center for Health Advocacy & Wellness.** The Center for Health Advocacy & Wellness encourages students to make healthy lifestyle decisions that facilitate academic success and lead to life-long health and wellness. For more information, visit [http://chaw.fsu.edu/](http://chaw.fsu.edu/).

- **The U.S. State Department** maintains a web site of information for Americans studying abroad, including current travel advisory warnings, at: [http://studentsabroad.state.gov/](http://studentsabroad.state.gov/).

- **The Smart Traveler Enrollment Program (STEP)** is a free service provided by the U.S. Government to U.S. citizens who are traveling to, or living in, a foreign country. STEP allows you to enter information about your upcoming trip abroad so that the Department of State can better assist you in an emergency. We strongly recommend you register here: [https://step.state.gov/](https://step.state.gov/).

- **Waivers.** All IP participants will be given a Waiver of Liability via email. It must be signed and submitted to IP.

- Be aware that you are subject to the laws of the country in which you are traveling.

- Always carry a photocopy of the picture and signature pages of your passport with you. Keep another copy in your room separate from your passport. Leave one copy at home in the U.S. with your family or a relative.

- Use the buddy system—try to travel with friends as much as possible and always tell your roommates or friends where you are going and when you expect to return. Bystander intervention is a powerful opportunity and responsibility for those within our community.

- **Valuables.** Students should not take sentimental valuables on their program. Students should not leave cash, passports, or other items of value unattended in their rooms. If a locker or safe is provided, students are strongly encouraged to use it to store anything of value at all times. Students should plan regular visits to the cash machine rather than leaving large amounts of cash in their rooms. Students are responsible for ensuring their rooms are secure at all times – do not prop open doors, do not leave doors and windows unlocked, do not give keys to anyone. Students are strongly encouraged to purchase insurance that will cover their belongings while abroad, whether a standard homeowners or renters policy.

- **Pickpocketing.** In most large cities throughout the world, pickpocketing is the most common crime and can happen anytime, anywhere! We caution you to always be aware of your surroundings. While traveling in some areas beware of beggars who try to distract you with papers, boxes, or excessive body movements. Coats and purses are often stolen in crowded areas. Keep them close to you and lock your pack zippers with a combo lock. Secure your valuables if you are traveling on an overnight (“sleeper”) train.

- **Weapons.** Students are strictly prohibited from keeping or using firearms, knives, weapons (including pellet, air guns, paintball guns or other dangerous articles or substances). Furthermore, mace and/or pepper spray may be illegal in the countries that you visit. It is your responsibility to know the laws regarding weapons in the host country if you intend to bring any item for self-defense.
HOUSING TERMS & CONDITIONS

The following regulations for the International Programs student housing are based upon the Florida State University Contractual Agreement and the rights and responsibilities of individual members of the university community as spelled out in the ‘Codes of Student Conduct’ in the:

- Florida State University General Bulletin (http://registrar.fsu.edu/bulletin/undergrad/)
- Florida State University Graduate Bulletin (http://registrar.fsu.edu/bulletin/grad/)
- Florida State University Student Handbook (http://dos.fsu.edu/resources/student-handbook), and

These rules and responsibilities have been adapted and supplemented where appropriate to take into account the special needs of each program. The housing rules are designed to conform to the local laws protecting the mutual rights of both students and our local neighbors. We are guests in another country and we should respect and abide by the customs of the people. Since the housing and academic components are tied together very closely, the program staff must ensure that your stay in the residence facility provided enhances the overall mission of the program.

Carefully read these regulations and responsibilities. All occupants/participants in program-provided housing are obliged to conform to them so the overseas experience may be a positive one for everyone associated with our program. The program staff is responsible for ensuring these rules are enforced. He/she has the authority to supplement them at any time to deal with circumstances that affect the integrity of an academic and social/cultural program that functions in a foreign country. The program staff has the authority to dismiss from the program any occupant/participant who does not comply with all rules.

I. AGREEMENT TO GENERAL TERMS

A. Participants are reminded that our program-provided housing is in facilities regulated by the respective country’s law. Although the FSU rules and regulations apply on our study program, the law of the land where any misdemeanor occurs takes precedence and FSU cannot break these regulations or laws.

B. All program dates are advertised as first night in program housing to morning of the last day of the program. The FSU International Programs Contractual Agreement, appropriately signed, is effective from the morning on the date of the first night in housing of a particular program until the morning of the day of program departure. Specific times vary by country. More information is provided in the housing section of this packet.

C. If an occupant/participant voluntarily withdraws from a program and is released from this legal document he/she must vacate the residence within 24 hours of that decision. In the case of expulsion or immediate suspension/dismissal, another breach of contract, or a judicial process, the occupant/participant must vacate the residence immediately.

D. The acceptance of this FSU International Programs Contractual Agreement by Florida State University/International Programs Association, Inc., does not guarantee assignment to any particular room. Roommate preferences, however, will be honored as far as possible and practicable.

E. Under this document, the Florida State University, in conjunction with the Study Center program staff, reserves the right to formulate and put into effect other rules and regulations which, in their judgment, may be necessary for the safety, care, and cleanliness of the premises and for the preservation of mutual rights and responsibilities of the occupants/participants of the building, and the inhabitants of the neighborhood. All occupants/participants agree to abide by any and all additional rules and regulations adopted for those purposes.

F. Under this document, all occupants/participants are responsible for reading, understanding, and adhering to the general applicable regulations, rules, and procedures concerning student codes and policies as set forth in official publications of Florida State University. Such publications include the current editions of the General Bulletin, the FSU Student Handbook, and the Florida State University International Programs Important Forms packet.

G. All Florida State University International Programs facilities are designated no-smoking facilities. Smoking of any substance is prohibited throughout the buildings. All occupants/participants agree to accept this condition. Deviations from this policy, if they exist, will be provided in your country specific orientation package.
II. AGREEMENT TO GENERAL CONDITIONS AND RESPONSIBILITIES OF PROGRAM PARTICIPANTS

A. Respect for Persons
   1. Program participants must be cognizant of the rights of others and avoid activities, which unnecessarily disturb individuals or groups, or interfere with the normal activities of International Programs. These include, but are not limited to, intimidating behavior, physical assault, hazing, or unsuitable or boisterous conduct. Participants should be aware of the effects of their noise on others and respond appropriately to requests to lower volume.

   2. Florida State University respects and celebrates the diversity of its students. Statements of intolerance and/or harassment pertaining to race, creed, color, sex, religion, national origin, age, disability, veterans’ or marital status, sexual orientation, gender identity, gender expression, or any other protected group status are neither appropriate nor tolerated and can lead to dismissal from the program.

B. Respect for Property and Living Space
   1. Program participants are expected to respect university property as well as the property of other community members.
      a.) University property may not be removed from any room or from public areas.
      b.) Out of respect for the community environment, sports and general rowdy behavior are not permitted either in the Study Center or in program-provided housing.
      c.) Participants may not affix any items to the walls of the residence
      d.) Participants in program-provided housing may not remove, alter, or tamper with door closures, security equipment, or locks, nor may they wash or hang laundry in their rooms.
      e.) Students are expected to report all maintenance issues. If a maintenance issue is unreported and results in major damages, students may be held responsible for costs.

   2. Participants in program-provided housing should ensure their rooms are properly cared for. It is the responsibility of all to maintain a standard that provides cleaning and care of the room.

   3. Participants in program-provided housing are responsible for the reasonable care of their assigned living spaces and their equipment and appliances. Charges will be assessed for damages to, unauthorized use of, or alterations to, rooms, equipment, and buildings as well as for special cleaning necessitated by improper care of rooms or equipment.

   4. Unless it can be determined otherwise, occupants/participants are jointly responsible for damages done to public areas and equipment in their living quarters. Public areas are defined as those areas available for use by all program participants living in a shared area. Charges for damages to public areas and equipment, other than those determined to be the result of normal wear and tear, may be assessed of all program participants of a particular room or floor, or of the residence as a whole.

   5. Authorized administrative personnel may enter rooms for the purposes of cleaning, normal inspection, and maintenance. Occupants’/participants’ personal property is not subject to search without the express approval of the owner except in circumstances when a reasonable belief exists that the room is being used for an illegal purpose or a purpose which would otherwise seriously interfere with discipline and/or an occupant’s/participant’s personal safety.

   6. Florida State University/International Programs Association, Inc. is not liable for damage or loss of personal property, failure or interruption of utilities, or unforeseen accidents or injuries. The organizations named above will be liable only for those damages or injuries caused by negligence on the part of their employees, agents, or representatives while they are working within the scope of their employment or agency. Occupants/participants are strongly advised to secure their own personal property insurance.

C. Respect for Housing Operations
   1. It is expected occupants/participants will comply with reasonable requests from the program staff and the housing administrative staff.
      a. Residents will identify themselves when asked and will provide true and accurate information.
      b. Residents will refrain from harassment and verbal abuse of staff personnel.

   2. Room keys may be neither lent to nor borrowed by anyone. Such actions violate administrative codes, are not permissible, and constitute grounds for dismissal. For personal safety reasons, the propping open of exterior doors is strictly prohibited.
3. Occupancy of rooms is reserved only to those program participants to whom the room has been assigned.
   a. Room transfers, if possible, may be made only after receiving approval from the program staff.
   b. After reasonable notice, room assignments may be changed, cancelled, or terminated at any time by the program staff in the interest of public order, health, discipline, maximum utilization of facilities, or disaster.

4. You will receive specific information regarding the guest policy for your International Program location during the on-site orientation. Some programs prohibit guests in residential areas. If you are staying on a program that does allow guests, the following rules apply:
   a. No guests are allowed in program housing between the hours of 11 p.m. and 7 a.m.
   b. Guests must be accompanied by their resident hosts at all times throughout the visit and may not be unescorted at any time in the residential areas.
   c. All guests must abide by the housing rules and regulations applicable to the resident host and must immediately depart the premises when told to do so by the host or program staff. Host may be held responsible for violations of their guest(s).

ADDITIONAL HOUSING INFORMATION
As you may know, Florida State University operates study centers in various countries around the world. Under our contractual obligations, students from one program are not permitted to use the housing facilities of another program if they are visiting. If you do have friends on another FSU program, please do not get them into trouble by trying to share their rooms if you visit them. You must arrange for your own housing. This also includes friends and relatives who may be traveling abroad.
ADDITIONAL RESOURCES
The more information you find out about the country beforehand, the better off you will be once you get there. Here is a list of a few web sites that may be helpful as you begin your information search.

HELPFUL TIPS:
• Australians drive on the opposite side of the road than the US. Look right when you cross the street. This is harder to remember than you think. It is very important to look in the direction that traffic is coming. When in doubt look both ways.
• The busses and ferries run on time so it is important to be at the departure gate ahead of time if you are leaving from a ferry terminal.
• There is no tipping in Australia. Service workers receive better pay than in the U.S. to avoid any tipping issue. You will typically pay when you order your food, so you can leave when you are done eating. The only place you might run into a tip option on your bill is in an upscale restaurant. You can leave a tip of about 10% or no tip at all. Service is different than in the U.S., so be sure you get everything you need with your order when your order first comes, as you may not see the server again once your food has been delivered.
• Dress/clothing is mostly informal everywhere in Australia.
• Bring your own laundry detergent. They do not use phosphates in Australia so everything turns gray. Dryers can be very hot in Australia, so guard against shrinking your clothes.
• Australians are generally serious about queuing, so be careful to find the end of the line, even at bus stops.
