May 6- June 10, 2022

All of the information in this packet is accurate at the time of publication. As we have referenced in several other documents, forms and websites, the nature of the COVID-19 pandemic is such that all elements of our programs are subject to change. We will do our best to update this packet and notify you as changes occur.

INTERNATIONAL CALLS
Making international calls from the US to United Kingdom:
First dial “011” (for international call), followed by “44” (the
country code), then the specific area code (dropping the first
zero) and location number.

Making international calls from the United Kingdom to the
US: First dial “001” followed by the U.S. city area code and
the seven-digit telephone number.

Time Differences: Greenwich Mean Time (GMT) is ahead of
Eastern Standard Time by five hours, Central Standard Time
by six hours, Mountain Standard Time by seven hours, and
Pacific Standard Time by eight hours. Daylight Savings Time
changes often occur on different dates in the UK than in the US.
LONDON STUDY CENTER MINOR
The London Study Center Minor enhances and focuses a student’s program in Britain. It requires 15 credits, 9 of which must be earned in London and include a cultural component. Students can choose from various disciplinary perspectives on British Studies. A maximum of 9 hours may be counted in a single academic discipline. A minimum grade of “C-” must be earned and a minimum grade point average of 2.0 must be maintained for all courses taken for the minor. Courses used toward the minor cannot be used to meet any other University requirements (general education, major, graduation, etc.) Contact IP-AcademicAdvising@fsu.edu for more information.

TUTORING RESOURCES
There are a number of tutoring resources available at Florida State University to assist you academically, both in Tallahassee and abroad. Online tutors in many subject areas are available through the following programs:

- Reading & Writing Center (RWC) - http://wr.english.fsu.edu/Reading-Writing-Center/RWC-Online
- Academic Center for Excellence (ACE) - http://ace.fsu.edu/
- University Libraries: Office of Distance Library Services - https://www.lib.fsu.edu/department/distance-learning

OFFICE OF ACCESSIBILITY SERVICES (OAS)
OAS provides reasonable and appropriate accommodations for students with documented disabilities. Documented disabilities and accommodations vary in nature, and though the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 do not apply extraterritorially, we do our best to accommodate our students. If you anticipate needing to request accommodations for a documented disability, please schedule an appointment with OAS by calling 850-644-9566 (Voice) or 850-644-8504 (TDD). For more information, visit https://dsst.fsu.edu/oas.

FSU ENHANCEMENT PROGRAMS RELATED TO STUDY ABROAD
FSU students are encouraged to get involved with the Garnet and Gold Scholar Society and the Global Citizenship Certificate program. These two resources provide special recognition as global-ready graduates.

The Garnet and Gold Scholar Society
The Garnet and Gold Scholar Society program facilitates involvement and recognizes the engaged, well-rounded student who excels within and beyond the classroom in the areas of:
- Leadership
- Internship
- Service
- International
- Research

A student who has met the criteria in three of the five areas is eligible for consideration.

All study abroad programs organized through the International Programs Office qualify for the international experience portion of the International Area.

The Global Citizenship Certificate
The Global Citizenship Certificate program helps undergraduate students develop invaluable cross-cultural skills and global competencies needed to be a global-ready graduate.

Students who enroll in the certificate take 1 required course, Global Perspectives, and 3 electives. The required course counts toward FSU Liberal Studies X, E-series, and writing requirements. Students can choose from 500+ courses to fulfill the elective course requirement.

In addition, students participate in 8 intercultural events on campus and a sustained international experience abroad, which you are about to do! Enroll in the Global Citizenship Certificate before you leave to ensure your study abroad experience counts toward the certificate.
You should expect to adhere to any entry requirements that may be in place at the time of your program, including submitting proof of a negative COVID-19 test result prior to departure/upon arrival or proof of COVID-19 vaccination. Updates about testing prior to departure will be provided through the IP Student Portal.

Once you are notified by International Programs to book your travel arrangements, you must submit your flight itinerary through the IP Student Portal. All flight information will be provided to the London staff. It is important that they receive this information in order to monitor student arrivals.

We strongly advise you to purchase airfare and travel insurance directly with the airline when booking your flight; travel insurance typically covers flight cancellation fees, lost luggage, or other losses incurred while traveling, etc. Speak with your airline for details. Click here for more information about travel insurance and trip cancellation policies. Note: Airfare costs are not included in your program fee, and FSU will not reimburse any costs or fees associated with flight changes or cancellations due to COVID-19 should they occur.

- Keep your boarding pass until you have landed, cleared immigration and customs, and have collected your luggage.

- Have your passport accessible in your carry-on luggage.

- During your flight make sure to drink lots of water to stay hydrated. Get up and walk around once an hour to help your circulation. Do simple stretches while in your seat. Try to sleep; it will help you combat jet lag. Wear layers, as the temperature on the plane and in airports can vary.

- You should expect to be required to wear a mask throughout your flight, including in connecting airports. You may also be required to wear a mask upon exiting the plane until you check into your apartment.
ARRIVAL IN THE UK

ARRIVAL IN LONDON

**Note:** Expect to take up to 90 minutes from landing to pass through immigration, baggage claim, and exit into the arrivals hall.

Airport pick-ups are provided at Heathrow Airport on the start date of your program. Airport pick-up logistics will be determined based on submitted flight itineraries. More information will be distributed closer to departure.

If you will be making your own way to FSU London from Heathrow Airport, the cheapest and fastest route is to take the Underground into central London. If you have minimal luggage that you can handle on public transport, this is an advisable route.

Follow the signs for the London Underground (‘The Tube’) to purchase a single (one-way) ticket to Russell Square. This should cost around £6. If you have a contactless credit card, you can simply tap this to enter the Tube without buying a physical ticket (be sure to use the same card to “tap out” at the end of your journey). Board any Piccadilly Line train and ride this for around 45 minutes to Russell Square station. Exit the station and take a cab to FSU London. The cab fare should cost roughly £5-£10, depending on traffic.

You can also travel into central London on the Heathrow Express. This is a more expensive and difficult way to journey FSU London. A ticket on the Heathrow Express will cost approximately £22 (if bought in advance online) or £25 (if bought at the station). The Heathrow Express will take you directly to Paddington Station, which is still a few miles west of FSU London. From Paddington, you will either need to take two Underground lines (which is a hassle with luggage and will cost more money) or you will need to take a cab, which will cost a minimum of £20 (depending on traffic).

If you plan on arriving at Gatwick Airport, you can take a Thameslink train into central London. Make your way to the South Terminal, where the railway station is located. Purchase a single (one-way) ticket to St. Pancras Station, which should cost roughly £12. Board a Thameslink train towards Bedford; you will get off the train at St. Pancras International. The journey time is 45 minutes to St. Pancras. Then take a taxi to FSU London, which should cost about £10-15, depending on traffic.

Alternatively, you can take the Gatwick Express to Victoria Station, which has a 30-minute journey time and costs around £18-20. The taxi fare from Victoria Station to FSU London is also more expensive, at around £15+ (with fares slightly higher for late-night or rush hour arrivals).

If your flight is canceled, delayed, or you miss a connection on your way to London, contact International Programs staff via email or phone.

You may check-in to FSU London starting at 10:00am on the start date of your program. All orientation/welcome activities that take place upon arrival are mandatory.

For planning purposes, you must check out of program housing on the morning of the last day of your program. You will be responsible for getting yourself to the airport in time for your departure.
**Housing**

**LONDON HOUSING**

Student housing will either be on-site at FSU London or at a comparable off-site location nearby. Housing locations may not be exclusive to program participants. As previously stated, you may check-in to FSU London starting at 10:00am on the start-date of your program. Rooming assignments will be made based on a combination of factors such as type of program, housing preference, availability, and special needs as indicated in the information you provide on the Medical, Special Needs, Housing questionnaire in the IP student portal. You will receive your roommate assignments during check-in at FSU London.

We are very fortunate that FSU London is located in the heart of central London, but please be aware that there are certain ‘quirks’ with all buildings as old as ours (17th century home registered on the National Heritage list for England). These differences are part of the experience of immersing yourself in another, much older culture. Rooms may be smaller than you are used to, there are many stairs, no elevators, and no air conditioning. On the plus side, you will be living in central London, just a few minutes’ walk from the British Museum, Covent Garden, West End theatres, and Trafalgar Square – just to name a few sites!

Come prepared to cook most of your own meals while you are in London. Cooking in your flat is a great way to:

- save money
- help keep you healthy by eating fresh food and vegetables
- develop relationships with your flatmates through communal cooking and meals
- add variety to your life as you try new dishes from the grocery store or learn new recipes from your flatmates

During your on-site orientation, you will be advised of the FSU London Housing Rules & Regulations. Violation of any of the housing policies is grounds for dismissal. It is your responsibility to familiarize yourself with the housing rules and regulations for your specific program. Refer to the FSU International Programs Contractual Agreement and the Housing Terms and Conditions for details. You are required to sign the FSU International Programs Contractual Agreement as it outlines your contractual obligations as a participant on our program.

A note on noise: The law in England forbids excessive noise after 11:00pm. The police and the local borough authority strictly enforce this rule. Quiet hours are in effect from 11:00pm until 8:00am, during which time no noise should be heard outside student rooms. At all other times residents should be aware of the effects of their noise on others and respond appropriately to requests to lower volume.

**HOUSING AMENITIES**

Housing will be fully equipped with everything you will need, including:

- one or two bathrooms
- kitchen
- living room area
- shower
- iron
- ironing board
- microwave
- oven
- dishes
- pots and pans
- tea kettle
- refrigerator & freezer
- towels & linens
- wardrobe
- television
- Wi-Fi
- individual safe or access to a safe
- and more!

**THING TO NOTE**

- Cleaning products and toilet paper are your responsibility.
- The electrical current in Europe has twice the stronger voltage (220 volts) than in the U.S. (110 volts). Do not bring anything electrical, such as hair straighteners, blow dryers, or curling irons. Hairdryers are provided free at your accommodation or you can obtain one from FSU London Reception. Hair straighteners and curling irons can be purchased at a low cost at local shops.
- Laundry facilities are available.
- You will be assigned two towels, a top sheet, a bottom sheet, a duvet, duvet cover, two pillows, and pillowcases. Linens will be changed weekly.
- Do not purchase any additional furniture or large furnishings, such as couches or TVs.
- Locks are provided at check-in. Please use your safe to store all valuables including your passport and money. Once locked, keep your safe key in a secure place.
- Housing facilities are not air conditioned. This is standard across Europe, and we appreciate your accommodation of this difference. Fans may be provided, and we encourage you to purchase other personal fans/cooling mechanisms as needed.
- All off-site accommodations provide comparable facilities, however, we cannot guarantee that each residence will have the exact same amenities. Each student housing facility has safety and security measures. They may vary by location.

**HOUSEKEEPING**

Your flats will be cleaned once every two weeks, but you must leave your flat in such a condition that the housekeeping staff can do their job. Housekeeping staff will mop the floors throughout the flat, wipe down surfaces, and remove one bag of trash per flat. Housekeeping staff will not clear away personal possessions, clean dishes left in sinks, or pick up dirty laundry left on the floors. Above all, you should remember that primary responsibility for the cleanliness of your flat remains with you and your flatmates. You are responsible for cleaning up after yourself when the kitchen or bathrooms have been used, making your own beds, and for keeping your room reasonably tidy. At the end of the program, the flats will be inspected. They should be neat, clean and in the condition in which they were found. If the flat is left in an un-fit state or if any damages are found upon your departure, additional charges may be assessed to your FSU account. Please note that housekeeping staff will not enter flats during any quarantine/isolation periods.
PERSONAL TRAVEL
Due to the uncertain nature of the COVID-19 pandemic, all program elements including the program calendar, weekly schedule, classroom environment, course delivery method, housing arrangements, transportation policies, and international or in-country travel restrictions are subject to modification at any time in order to comply with local public health restrictions as well as the policies and practices of Florida State University.

FSU’s current independent travel policy allows students to travel independently commensurate with any local, national, or international guidance and restrictions. Independent international travel is not recommended.

FSU will continue to review its independent travel policy as conditions abroad change, but there is a possibility independent travel could remain restricted or limited during your program. Failure to adhere to the independent travel policy could have significant consequences, including potential removal from the program.

Please wait until you have arrived and received your class/program schedule before booking any independent trips.

Do not plan travel that will cause you to miss classes or other required programming; strict academic standards are maintained on programs. Your grade may be reduced by any unauthorized absence from class.

For safety purposes, you will be instructed by International Programs to fill out a mandatory online independent travel form each time you plan on traveling outside of your program. More information will be provided to you in the IP Student Portal prior to departure.

CLIMATE
The weather is going to play a large role in how you pack for your time abroad. Monitor the weather before departure and research climate trends for your location to pack accordingly.

The average temperatures in London in the fall, winter and spring are comparable to temperatures in northeastern states. The climate is generally damp, so it may feel colder than it actually is. You may need warm clothes (sweaters, etc.) and a raincoat because it often rains in London. The summer can be hot and most buildings, including our housing facilities, are not air-conditioned.

The buildings in England are sometimes not heated to the same level as they are in America. Therefore, do what the British do—wear warm clothes inside and outside. On the coldest days, we recommended you wear layers that will keep you warm while you’re outside, but can be removed to keep you cool if indoor spaces or public transport are well-heated. By the same token, buildings are generally not air-conditioned in the summer months, including student housing.
**Communication & Electronics**

**COMPUTERS**
There are 24/7 computer labs at FSU London. However, students should plan to bring a laptop or tablet with them. Students will need their laptop/tablet during any periods of quarantine or isolation that may be required. We recommend doing the following prior to departure:

- Bring a plug adaptor so your computer can charge on a UK outlet
- Check your homeowner’s insurance to make sure that your computer is covered when you are away from your primary residence. If not covered by your homeowner’s insurance, you may look into insurance through [http://www.safeware.com/](http://www.safeware.com/), a worldwide insurance provider for all electronic devices (e.g. laptop, digital camera, iPod, etc.). They also have a provision for non-electronic personal property.
- Do NOT pack your laptop or laptop charger in your checked luggage.

**MAIL**
Please share the following information with those in the US who are interested in sending you mail while you are abroad. The Reception Desk will not accept FedEx packages for students so please ensure that any packages sent to you are sent through either UPS or the U.S. Post Office.

Airmail usually will take 7 days. People writing to you should be sure to buy and use airmail stamps; failure to do so will cause their letters to go surface mail, which will take about 6 weeks to deliver. Have mail sent to the FSU London address listed in the Contact Information section of this packet, with your name on the first line.

Shipments to the UK from outside the EU often incur IMPORT DUTY. YOU will have to pay these taxes unless the goods are labeled correctly. Be sure to let the person shipping you the package know the following rules:

1. **DO NOT overestimate the cost of goods for insurance purposes;** this will only drive up the cost of the import duty.
2. **DO NOT ship alcohol, tobacco, or perfume,** as these goods will incur extra import duty.
3. **You can ship personal effects (clothes, school supplies, etc.)** worth up to $25.00 tax free.
4. **You can ship a GIFT worth up to $50.00 tax free.** Other items may incur taxes, which can be very high.
5. **Items like cheese or meat products are banned.** A list of banned/restricted goods can be found online: [https://www.gov.uk/duty-free-goods/banned-and-restricted-goods](https://www.gov.uk/duty-free-goods/banned-and-restricted-goods)

You will not be able to receive your package at the Study Centre until any charges are paid in full. Any charges the Study Centre must pay on your behalf will be placed onto your student account.
EXPENSES WHILE IN LONDON
In estimating your financial needs while abroad, calculate the amount of money you will need for meals for the entire period of your stay; costs for your personal entertainment and social activities.

A good way to estimate what you might need in London is to assume that whatever you spend here in the US (in dollars), you will spend the same (numerical) amount in pounds (which is considerably more dollars).

London is one of the most expensive cities in the world, with prices on par with those in Los Angeles or New York. However, you can find great bargains all over the city. Dining out can be cheap at a market or food hall, or more expensive at gastropubs or fine restaurants. You may want to splash out on outings such as an afternoon tea experience or shopping on Oxford Street. While some of these costs are high, many visitors find other things in London cheap, including most museums and its scenic parks!

Class-related excursions are included in the program fee for most classes. Occasionally, there are additional fees to cover expenses such as theatre tickets. This information is available in the textbook compliance section when you register for classes in myFSU.

CURRENCY
The unit of currency in Britain is the pound sterling (£ GBP). Bank notes are available in £5, £10, £20, and £50. Coins are in 1p, 2p, 5p, 10p, 20p, 50p, £1, and £2.

You may wish to exchange US dollars for British bank notes prior to leaving for London (up to $200). If doing so, please note that the UK is in the process of converting its paper money to new plastic notes. Paper £5, £10, and £20 notes are no longer accepted. The new £50 plastic note is due to be released in 2021. Also note cashless and contactless transactions are prevalent in the UK.

You can reference the current exchange rate online.

BANKING
We recommend you set up online banking for your bank account(s) prior to departure from the U.S. so you can monitor your account(s) while overseas. Students are typically not eligible to open a UK bank account.

You should bring two types of cards with you:

Debit Card
- A debit card can be used to access funds from an ATM or bank.
- Make sure your debit/ATM card is linked to a checking account, rather than to a savings account, so you will have access to your funds.
- If you have a pin longer than 4 digits or based on letters, you may have trouble using it abroad. You will need to change your pin before departure.
- You should contact your financial institution for information regarding ATM transaction fees. You can limit the fees if your U.S. bank has a ‘sister’ bank in the host country and/or if you limit your withdrawals, though we do not advise keeping large sums of money on your person or stored in your residence, even if it is safe.

Credit Card
- Credit cards are useful in the event of an emergency. If you need to visit a doctor or hospital, you will likely have to pay prior to the service, and then submit an insurance claim afterward.
- Credit cards are also useful for everyday purchases and offer excellent exchange rates. Mastercard and Visa are the most widely accepted credit cards overseas. A credit card with “chip and pin” technology is recommended, as this is the standard abroad.
- Consider applying for a credit card with no foreign transaction fees/international fees.

The More You Know
Some students have reported using “borderless” bank accounts, such as Wise or Revolut, as a way to spend money abroad in multiple currencies.

Before using an ATM or debit card overseas, we recommend the following:
- Contact your financial institution(s) before you leave the U.S. to make sure your ATM or debit card is activated for international use during the dates and in the locations in which you will be abroad.
- Keep a record of all credit/debit/ATM card numbers and the phone numbers you would need to call, with area codes, if they are lost or stolen. Keep this record in a safe place separate from your cards, and you should provide a copy to family at home.
Health & Wellness

INOCULATIONS/MEDICAL CONCERNS

BEFORE DEPARTURE:
We encourage all students with underlying health issues that may increase the severity of infection should they contract COVID-19 to discuss their study abroad plan with their doctor/specialist.

Florida State University requires certain immunizations prior to your registration for classes. All newly admitted degree-seeking students (freshman and transfer) and non-FSU students will be asked to complete and submit the required Student Immunization Form through the IP Student Portal.

Familiarize yourself with the specific requirements and health matters in your program location. The FSU Health and Wellness Center offers a travel clinic which provides immunizations. Click here for additional information available through the Centers for Disease Control and Prevention’s site. Some countries have specific requirements for inoculations based on past locations the traveler has visited. It is the student’s responsibility to confirm whether or not the previous travel requires additional inoculations.

WHILE ABROAD:
Your program fee includes international medical and evacuation insurance coverage through Cultural Insurance Services International (CISI); Click here to access the policy online. The coverage will be effective for participants from the day the program starts until the day the program ends. It includes coverage for treatment of ill students, including those with COVID-19, as well as COVID testing for those who are symptomatic, or those who have had a known exposure to a person who tested positive. It does not cover preventative evacuation due to pandemics or preventative treatments such as vaccinations. There are Teleconsultation Services available. This policy is NOT intended to replace your domestic coverage.

The UK has an excellent health care system. Students in need of emergency care will likely be treated at the nearby University College Hospital, which is a 15-minute walk from FSU London. Emergency care is free at the time of service.

Less urgent situations should be treated in one of the many nearby general practitioner or walk-in clinics. GP visits will incur a fee, which students are responsible for paying upfront.

ALCOHOL AWARENESS & ILLEGAL DRUGS
The legal age for the drinking of alcohol in the UK is 18. This means that you will likely have the opportunity to buy and drink alcohol legally. It is in your interest to recognize that this right carries a great deal of responsibility. FSU London has a strict code of conduct relating to the use of alcohol, violations of which will likely result in a judicial hearing with the possible outcome of being dismissed from the program. In short, know your limits, and drink in moderation if you choose to do so, but not to excess.

Florida State University has a zero-tolerance policy regarding the possession, use, manufacture, production, sale, exchange or distribution of illegal drugs by students participating in FSU study abroad programs. Violation of this policy may result in immediate dismissal from the program and disciplinary action onsite or upon return to campus. International Programs’ policies follow either the U.S. law or local law, whichever is more stringent with regard to drug use. For complete information on student judicial processes, victim rights, and appeals see the Student Conduct Code: https://sccs.fsu.edu/.

MAPPING YOUR IDENTITIES
Our Mapping your Identities guide will help you explore your identities and evaluate your overall wellness to aid in your preparation for a successful and enriching study abroad experience. It will also help you understand others on your program and be better allies for them.

Be sure to bring sufficient quantities of your prescription medication with you to last for the duration of your stay. Keep these in their original containers with copies of the prescriptions and place them in your carry-on luggage. Bring a copy of a legible prescription from your doctor.

Please be aware that not all U.S. drugs are available elsewhere. In particular, Adderall and Concerta are not available in all countries. Don’t postpone discussing your prescription needs with your doctor. You will likely need to work with your insurance company to cover your vacation prescription. If you experience difficulty in obtaining a prescription for your time abroad, seek assistance from our office.

We also recommend doing the following:
• If you wear glasses or contact lenses, take an extra pair and/or the prescription.
• Complete routine medical and dental care before you leave.
• A tetanus booster shot is suggested if you have not had one within the past 10 years.
• A flu shot is also suggested prior to departure.
Policies & Safety

RULES, POLICIES & PROCEDURES
Florida State degree-seeking, transient, and special students are bound by the rules, policies, and procedures set forth in the FSU General Bulletin and Student Handbook. It is your responsibility to familiarize yourself with these before you leave. You may locate the FSU General Bulletin online at http://registrar.fsu.edu/ and The Student Conduct Code at https://sccs.fsu.edu/conduct-codes/student-conduct-codes. The Office of Student Rights and Responsibilities updates any changes to the Student Conduct Code.

SAFETY & SECURITY
Our highest priority is the welfare and security of our students, faculty, staff and facilities. We have emergency plans in place for each of our locations and work closely with our insurers and 24/7 emergency response providers to monitor and respond to all situations worldwide. It is our policy to follow guidance from the respective U.S. Embassies, U.S. State Department, as well as local officials and keep students apprised of any new information. For more information on IP’s security policies and procedures, please contact our Director of Risk and Emergency Management, Chris Carroll at 850.644.7823 or ccarroll@fsu.edu.

• Resources. Even though you are not on the main campus, you have access to many resources should you encounter issues while abroad. Program staff members are available to support you in a variety of ways, including connecting you with other professionals locally and/or on the main campus.
  o Victim Advocate Program. The University takes very seriously all types of victimization, including sexual violence, relationship violence, and domestic violence. Advocates are available and on-call 24 hours a day to provide confidential support services, even for students who are abroad. For more information on the Victim Advocate Program, visit http://victimadvocate.fsu.edu.
  o Counseling & Psychological Services at FSU. Counseling and Psychological Services is a welcoming and confidential place to discuss questions and concerns such as homesickness, struggles with relationships, sexual identity, cultural issues, and more. Visit https://counseling.fsu.edu/ for more information.
  o Center for Health Advocacy & Wellness. The Center for Health Advocacy & Wellness encourages you to make healthy lifestyle decisions that facilitate academic success and lead to life-long health and wellness. For more information, visit http://chaw.fsu.edu/.

• The U.S. State Department maintains a web site of information for Americans studying abroad, including current travel advisory warnings, at: http://studentsabroad.state.gov/.

• The Smart Traveler Enrollment Program (STEP) is a free service provided by the U.S. Government to U.S. citizens who are traveling to, or living in, a foreign country. STEP allows you to enter information about your upcoming trip abroad so that the Department of State can better assist you in an emergency. We strongly recommend you register here: https://step.state.gov/step/.

• Waivers. All IP participants must sign and submit a general Waiver of Liability & COVID-19 Waiver through the IP Student Portal.

• Be aware that you are subject to the laws of the country in which you are traveling.

• Always carry a photocopy of the picture and signature pages of your passport with you. Keep another copy in your room separate from your passport. Leave one copy at home in the U.S. with your family or a relative.

• Use the buddy system—try to travel with friends as much as possible and always tell your roommates or friends where you are going and when you expect to return. Bystander intervention is a powerful opportunity and responsibility for those within our community.

• Valuables. Students should not take sentimental valuables on their program. Students should not leave cash, passports, or other items of value unattended in their rooms. If a locker or safe is provided, students are strongly encouraged to use it to store anything of value at all times. Students should plan regular visits to the cash machine rather than leaving large amounts of cash in their rooms. Students are responsible for ensuring their rooms are left secure at all times – do not prop open doors, do not leave doors and windows unlocked, do not give keys to anyone. If students notice others in the building leaving the main entrance door unsecured, they should notify FSU London staff immediately, even if there are others living in the building who are not FSU program participants. Students are strongly encouraged to purchase insurance that will cover their belongings while abroad, whether a standard homeowners or renters policy. The International Programs insurance policy does not cover loss or theft of participants’ possessions.

• Pickpocketing. In most large cities throughout the world, pickpocketing is the most common crime and can happen anytime, anywhere! We caution you to always be aware of your surroundings. Beware of strangers who try to distract you with papers, boxes, or strange gestures. Smartphones and purses are often stolen in crowded areas, cafes, restaurants, and pubs. Keep them close to you and within your own sight, but out of the reach of strangers. Secure your valuables when you use public transportation, especially if you are travelling on an overnight train/coach.

• Weapons. You are strictly prohibited from keeping or using firearms, knives, weapons (including pellet, air guns, paintball guns or other dangerous articles or substances). Weapons, such as guns, mace, pepper spray, and disguised or flick knives are illegal in the UK. It is your responsibility to know the laws regarding weapons in the host country if you intend to bring any item for self-defense.
Tips & Resources

TIPS FROM STUDENTS ON WHAT YOU SHOULD KNOW
These comments came from students who recently attended our study abroad program in London:

• There is NO elevator in the building.
• Bring comfortable shoes to wear. You do a lot of walking!
• Research the weather conditions in London before you leave.
• Do not overpack – you will want to buy souvenirs.
• Plan to save money by being able to cook some of your favorite meals.
• There is no air-conditioning in the flats. Pack accordingly if you are on a summer program.
• Do not ship expensive items from the US (especially technology) as these will incur customs charges.
• For the most part, you do not need to tip in the UK, especially in taxis.

ONLINE RESOURCES
The more information you find out about the country beforehand, the better off you will be once you get there. Here is a list of a few web sites that may be helpful as you begin your information search:

**QUICK TIPS**
1. The United Kingdom consists of four countries: England, Scotland, Wales, and Northern Ireland. The Republic of Ireland is a different country.
2. Never ‘jump the queue’ (cut in line). Brits are particular about queuing etiquette, and many joke that queuing is a British national pastime.
3. Restaurants will not automatically split the tab for you, but they may let you put different amounts onto different credit cards.
4. You should tip restaurant waitstaff around 10%. Bartenders do not expect tips and may even be confused by your offer. Tip taxi drivers £1 per bag they help you with. Otherwise, taxi drivers do not expect tips—though many will round up to 10% for a tip.
5. No matter the time of year, bring an umbrella! Brits always have access to an umbrella regardless of the season.
