INTERNATIONAL CALLS
Making international calls from the U.S. to Nepal:
First dial "001," followed by the U.S. city area code and the
seven-digit telephone number.

Time Differences:
Nepal is 10 hours and 45 minutes ahead of Eastern Standard
Time.
ACADEMIC MATTERS
This program is first and foremost an academic one, so you should be prepared to invest as much time, effort and thought into your coursework as you do on your home campus. Since classes are small, you will have more interaction with your fellow students and with faculty than you have on main campus. There will be a greater emphasis on participation in class discussions. This means you must be prepared to maintain a high level of performance.

FSU ENHANCEMENT PROGRAMS RELATED TO STUDY ABROAD
FSU students are encouraged to get involved with the Garnet and Gold Scholar Society and the Global Citizenship Certificate program. These two resources provide special recognition as global-ready graduates.

The Garnet and Gold Scholar Society program facilitates involvement and recognizes the engaged, well-rounded student who excels within and beyond the classroom in the areas of Leadership, Internship, Service, International, and Research. A student who has met the criteria in three of the five areas is eligible for consideration. All study abroad programs organized through the International Programs Office qualify for the international experience portion of the International Area. Visit http://garnetandgoldscholar.fsu.edu/ or email GarnetandGoldProgram@fsu.edu to learn more.

The Global Citizenship Certificate program helps undergraduate students develop invaluable cross-cultural skills and global competencies needed to be a global-ready graduate. Students who enroll in the certificate take 2 required courses, Global Perspectives and Global Citizenship, and 2 electives. Both required courses count toward FSU Liberal Studies X, E-series, and writing requirements. In addition, students participate in 8 intercultural events on campus and a sustained international experience abroad, which you are about to complete! Enroll in the Global Citizenship Certificate before you study abroad to ensure your experience counts toward the certificate. Visit cge.fsu.edu/globalcitizen or contact an advisor at globalcitizen@fsu.edu to learn more.

TUTORING RESOURCES
There are a number of tutoring resources available at Florida State University to assist students academically, both in Tallahassee and abroad. Online tutors are available through the following programs:

- **Reading & Writing Center (RWC)** [http://wr.english.fsu.edu/Reading-Writing-Center/RWC-Online](http://wr.english.fsu.edu/Reading-Writing-Center/RWC-Online)
- **Academic Center for Excellence (ACE)** [http://ace.fsu.edu/](http://ace.fsu.edu/) ACE provides free tutoring in many subject areas, including accounting, biology, chemistry, economics, math, statistics, and physics.
- **University Libraries: Office of Distance Library Services** [https://www.lib.fsu.edu/department/distance-learning](https://www.lib.fsu.edu/department/distance-learning)

STUDENT DISABILITY RESOURCE CENTER (SDRC)
SDRC provides reasonable and appropriate accommodations for students with documented disabilities. Documented disabilities and accommodations vary in nature, and though the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 do not apply extraterritorially, we do our best to accommodate our students. If you anticipate needing to request accommodations for a documented disability, please schedule an appointment with the SDRC by calling 850-644-9566 (Voice) or 850 644-8504 (TDD) and provide appropriate information on your Special Needs form. For more information, visit http://dos.fsu.edu/sdrc.
VISA REQUIREMENTS FOR U.S. CITIZENS

- **Passport**: All participants must hold a U.S. passport that is valid for at least 6 months beyond your return from your program.

- **Visa Instructions**: Students should purchase a 15-day multiple entry tourist visa for $25 upon arrival at Tribhuvan International Airport (Kathmandu). Visa fees are payable in USD. Money-changing and ATM services are available at the airport, but credit card payment is not a reliable option. See the [Embassy of Nepal](https://www.usmission.gov.np) or [Department of Immigration](https://www.immigration.gov.np) websites for additional visa information.

- **Flight / Visa Restrictions**: Due to airline restrictions, traveling on a one-way ticket may not be allowed. Please check with your airlines before purchasing a one-way ticket.

- **Travel outside the Program**: Due to visa processing times, international travel during the months prior to the start of the program will be limited. Please contact an Immigration Specialist at IP-Visas@fsu.edu if you have international travel plans.

**VISA REQUIREMENTS FOR NON U.S. CITIZENS AND US CITIZENS LIVING ABROAD:**

Non-U.S. citizens and U.S. citizens living abroad are asked to contact an International Programs’ Immigration Specialist at IP-Visas@fsu.edu. You may be required to apply for a visa on your own or you may have additional visa requirements and expenses.

All visa information is correct at the time of publication, but terms, fees, and guidelines are subject to change without notice.
**FLIGHT INFORMATION**

There is no group flight for this program, and your program fee does not include airfare.

After receiving permission from International Programs, you should purchase a ticket that will allow you to arrive at the Tribhuvan International Airport (Kathmandu, Nepal) on the first day of your session, March 11, 2018, and depart no earlier than the last day of your session, March 17, 2018. Students should try their best to arrive in Kathmandu on the 11th between 7am-7pm local time. You will most likely need to depart the United States two days before the program’s start date in order to arrive on time. All orientation/welcome activities that take place upon arrival are mandatory.

All students need to contact the program leader, Bobby Duggleby (bduggleby@em.fsu.edu), to discuss your proposed itinerary before you book your flight.

You must check out of program housing on the morning of the last day of your program. Transportation to the airport on the day of departure will be provided for you. After your official check out date of the program, you will need to book other accommodations if you are extending your stay.

Once you have completed your travel arrangements, all students must email their flight arrangements to the IP Office (ip-info@fsu.edu).

You may want to consider purchasing travel insurance when booking your flight. Travel insurance typically covers flight cancellation fees, lost luggage or other losses incurred while traveling, etc. Speak with your airline for more information.

**ARRIVING IN KATHMANDU**

Students should try their best to arrive in Kathmandu on March 11th between 7am-7pm local time. The program leaders will be waiting in the Tribhuvan International Airport (Kathmandu, Nepal) during this time to greet students and transport them to their accommodations.

Students should send flight itineraries to ip-info@fsu.edu as soon as flights have been purchased.

**HOUSING**

Students will be housed in shared accommodations while in Kathmandu and Meghauli. Additional details about program housing will be provided at the pre-departure orientation session.

Rooming assignments and locations will be made based on a combination of factors such as type of program, housing preference, and special needs as indicated in the information you provide International Programs. **These assignments cannot be changed.**

During your on-site orientation, you will be advised of the Housing Rules & Regulations. Violation of any of the housing policies is grounds for dismissal. For contractual details about your program housing, rules, and regulations for your specific program, please refer to the FSU International Programs Contractual Agreement and the Housing Terms and Conditions.

You are required to sign the FSU International Programs Contractual Agreement as it outlines your contractual obligations as a participant on our program.

**IN TRANSIT**

- **Domestic flights.** In general, arrive at the airport ticket counter **two hours** before your departure time. Check with your specific airline to find out the recommended pre-flight allowance.
- **International flights.** Arrive at the airport ticket counter **three hours** before your departure time.
- **Keep your boarding pass.** Some airlines require it for baggage claim. Also, it will help if your luggage gets lost.
- **Have your passport accessible.**
- **During your flight,** drink lots of water and get up and walk around at least once during the flight. Try to sleep; it will help you combat jet lag. Wear layers as the temperature on the plane and in airports may vary.
PERSONAL TRAVEL
You may have free time during your spring break program to travel. Please wait until you have received your academic and social/cultural event schedule before you book any trips away from Nepal.

Do not plan travel that will cause you to miss classes; strict academic standards will be maintained on the programs. Your grade is likely to be reduced by any unauthorized absence from class while abroad.

For safety purposes, you will be instructed by the program leaders to fill out a mandatory online independent travel form each time you plan on traveling away from the program location. More information will be provided to you in an email from IP-info@fsu.edu prior to departure.

EXCURSIONS
Students will be provided with a detailed list of academic and cultural excursions by the program leaders. In general, students can expect academic activities in Kathmandu (meetings with NGO officials, government leaders, etc.; tours of disaster-affected areas; and lectures from Tribhuvan University instructors) and in Meghauli (walking tours of the town; meetings with community leaders and NGO officials, and participation in a "disaster game" with local scouts).

CLIMATE & PACKING
All airlines have different policies regarding the number, size, and weight of bags allowed on domestic and international flights. Fees for having too many bags or exceeding size and weight limits are steep, and also vary by airline. It is important that you determine the restriction on your particular airline before you pack. Please be aware that you will be responsible for carrying your own bags, packs, etc. Restrictions regarding carry-on baggage are different for each airline and sometimes vary depending on your originating, transferring and/or terminating airport. Also, requirements change based on current events. It is imperative that you check your specific requirements just prior to your departure and plan accordingly. Use the IP luggage tag and luggage strap you received to ensure your bag is marked in capital letters with your name, address, and final destination both on the inside and on the outside of the bag. It is recommended that you pack 1 or 2 outfits in your carry-on in case of flight delays/cancellations or lost luggage.

Students will receive more information about recommended apparel and packing tips during the pre-departure orientation session. For updates on current weather conditions, visit https://www.accuweather.com/en/world-weather.

You should not bring any valuable or sentimental items such as jewelry, expensive watches, expensive cameras, or keepsake items you would regret losing. You also don’t want to bring any electrical appliances such as hair dryers, heaters, etc. The electricity in many countries is twice as powerful as in the U.S. and will cause those items to burn out.

Explore the International Programs Pinterest account for more packing tips.
COMMUNICATION & ELECTRONICS

MAIL
Due to the short length of the program, it is not recommended that family members or friends send you mail while you are on the program.

COMMUNICATION
Popular options to keep in touch with family/friends back home include Skype, FaceTime, Viber, GroupMe and WhatsApp. If you have a smartphone, download these apps before you travel abroad so you will be able to activate the account. You will be able to communicate internationally for free through connecting via WiFi.

CELL PHONES
Students should consult with their phone carrier about purchasing an international cell phone plan if desired. Please note that cell phone service can be intermittent while in Nepal, and the program leaders will have cell phones that students can use (sparingly) to communicate with individuals in the U.S.

COMPUTERS
Students will not require the use of a laptop during the program for academic purposes; therefore, International Programs recommends that students do not bring a laptop to Nepal.

Please note that if you take a laptop with you, it is at your own risk. If you do choose to bring a laptop, check your homeowner’s insurance to make sure that it is covered when you are away from your primary residence. If not covered by your homeowner’s insurance, you may want to check into laptop insurance through www.safeware.com, a worldwide insurance provider for all electronic devices (e.g. laptop, digital camera, iPod, etc.). They also have a provision for non-electronic personal property. Do NOT pack your laptop or laptop charger in your checked luggage.
EXPENSES WHILE ABROAD
The program fees include most meals while you are in Nepal. You will be responsible for paying for a few of your own meals while in Kathmandu and any personal spending money for souvenirs or personal entertainment.

CURRENCY

EXCHANGE MONEY
Exchange some dollars for rupees at Tribhuvan International Airport upon arrival in Kathmandu. In general, it is a good idea to exchange around $100. Students will find it easiest to exchange smaller bills ($20 USD or less) and should try to avoid changing larger bills. Please note: it can be extremely difficult to exchange rupees back into US Dollars after leaving Nepal. We recommend that students exchange any remaining rupees back into US Dollars at the Tribhuvan International Airport in Kathmandu before leaving the country.

BANKING
We recommend you set up on-line banking for your bank accounts prior to departure from the U.S. so you can monitor your account while overseas.

Bring or have access to at least one credit card in the event of an emergency. If you need to visit a doctor or hospital, you will likely have to pay prior to the service, and then submit an insurance claim afterward. Credit cards are also useful in large cities for everyday purchases and offer excellent exchange rates. MasterCard and Visa are the most widely accepted credit cards overseas. A credit card with “chip and pin” technology is worth considering, as this is the standard abroad. Credit card use will likely not be available in Meghauli.

If you intend to use an ATM or debit card overseas, contact your financial institution(s) before you leave the U.S. to make sure your ATM or Debit card is activated for international use. You will also need to inform them of your dates/location abroad. If you fail to contact your financial institution(s), it is not unusual for credit card companies to “freeze” an account if suspicious or fraudulent activity is suspected.

PLUS, STAR and CIRRUS cards are the most widely accepted overseas. A STAR/Debit MasterCard is accepted anywhere the STAR, MasterCard or PLUS symbols are displayed.

Make sure your debit/ATM card is linked to a checking account, rather than to a savings account, so you will have access to your funds. If you have a pin longer than 4 digits or based on letters, you may have trouble using it abroad. You will need to change your pin before departure. You should also contact your financial institution for information regarding ATM transaction fees. You can limit the fees if your U.S. bank has a ‘sister’ bank in the host country and/or if you limit your withdrawals, though we do not advise keeping large sums of money on your person or stored in your residence, even if a safe is provided.

Keep a record of all credit/debit/ATM card numbers and the phone numbers you would need to call, with area codes, if they are lost or stolen. Keep this record in a safe place separate from your cards, and you should provide a copy to family at home.

For those who receive financial aid, ensure that any student loans you have requested will be available for disbursement during the term abroad. Disbursement usually occurs after students have left the U.S. Make arrangements for your check to be deposited, if that is your chosen method of disbursement.
INOCULATIONS/MEDICAL CONCERNS
Florida State University requires certain immunizations prior to your registration for classes. Recently admitted FSU degree-seeking students (freshman and transfer students) must complete the required Student Immunization Record. All non-FSU students must submit their required Student Immunization-Insurance Record. Both forms can be downloaded here: http://studentinsurance.fsu.edu/immunizations.html. Forms must be mailed or faxed directly to Florida State University Health Services, Health Compliance Office, 960 Learning Way, Tallahassee, FL 32306-4178, fax (850) 644-8958.

It is very important that you make yourself aware of specific requirements and health matters in your program location. Please be sure to review the vaccines and medicine recommendations from the CDC on travel to Nepal: https://wwwnc.cdc.gov/travel/destinations/traveler/none/nepal?s_cid=ncezid-dgmg-travel-single-001.

It is important to plan ahead in preparation for your trip as the CDC recommends meeting with your doctor to obtain any necessary medication or vaccines at least 4-6 weeks ahead of your departure. Alternatively, The Health and Wellness Center at FSU offers a travel clinic which provides immunizations and can help assist you will guidance on medication for travel to Nepal (http://www.tshc.fsu.edu/travel.html).

In consultation with your doctor or the Wellness Center, please keep in mind that Meghali is a rural area and the program includes activities such as hiking and white water rafting.

Please note that some countries have specific requirements for inoculations based on past location(s) the traveler has visited. It is the student’s responsibility to ensure previous travel has not triggered additional requirements.

- A tetanus booster shot is suggested if you have not had one within the past 10 years.
- Consult with medical providers at the FSU Health and Wellness Center’s Travel Clinic about whether malaria pills are recommended for your location.
- We highly recommend that you bring sufficient quantities of your prescription medications with you to last for the duration of your stay. Keep these in their original containers with copies of the prescriptions and place them in your carry-on luggage. Be sure to bring a copy of a legible prescription from your doctor and be aware that not all U.S. drugs are available elsewhere. In particular, Adderall and Concerta are not available in all countries. Don’t postpone discussing your prescription needs with your doctor. After discussing medications with your doctor, students will need to work with their insurance company to cover the vacation prescription. Students who experience difficulty in obtaining a vacation prescription should seek assistance from our office.

- If you wear glasses or contact lenses, take an extra pair and/or the prescription.
- Complete routine medical and dental care before you leave.

The CISI insurance provided is included in your program fee and the policy is available on our website: http://international.fsu.edu/Documents/HealthSafety/CISIInsurancePolicy.pdf. You will want to familiarize yourself with the coverage details.

ALCOHOL AWARENESS & ILLEGAL DRUGS
The legal age for drinking alcohol in Nepal is 18. This means that you will likely have the opportunity to buy and drink alcohol legally. It is in your interest to recognize that this right carries a great deal of responsibility. FSU International Programs has a strict code of conduct relating to the use of alcohol, violations of which will likely result in a judicial hearing with the possible sanction of being dismissed from the program. In short, know your limits and drink in moderation if you choose to do so, but not to excess.

Florida State University has a zero-tolerance policy regarding the possession, use, manufacture, production, sale, exchange or distribution of illegal drugs by students participating in FSU study abroad programs. Violation of this policy may result in immediate dismissal from the program; and disciplinary action onsite or upon return to campus. International Programs’ policies follow either the U.S. law or local law, whichever is more stringent with regard to drug use. For complete information on student judicial processes, victim’s rights, and appeals see the Student Conduct Code: http://dos.fsu.edu/srr/. 
POLICIES & SAFETY

RULES, POLICIES & PROCEDURES
Florida State degree-seeking, transient and special students are bound by the rules, policies, and procedures set forth in the FSU General Bulletin and Student Handbook. It is your responsibility to familiarize yourself with these before you leave. You may locate the FSU General Bulletin online at http://registrar.fsu.edu/ and The Code of Student Conduct at http://dos.fsu.edu/srr/conduct-codes/student-conduct-code. The Office of Student Rights and Responsibilities updates any changes to the Code of Student Conduct.

CULTURAL BEHAVIOR EXPECTATIONS
Students will receive cultural training prior to departure from their program leaders and Nepali partners.

SAFETY & SECURITY
Our highest priority is the welfare and security of our students, faculty, staff and facilities. We have emergency plans in place for each of our locations and work closely with our insurers and 24/7 emergency response providers to monitor and respond to all situations worldwide. It is our policy to follow guidance from the respective U.S. Embassies, U.S. State Department, as well as local officials and keep students apprised of any new information. For more information on IP’s security policies and procedures, please contact our Director of Risk and Emergency Management, Chris Carroll at 850.644.7823 or ccarroll@fsu.edu.

- Resources. Even though students are not on the main campus, they have access to many resources should they encounter issues while abroad. Program staff members are available to support students in a variety of ways, including connecting students with other professionals locally and/or on the main campus.
  - Victim Advocate Program. The University takes very seriously all types of victimization, including sexual violence, relationship violence, and domestic violence. Advocates are available and on-call 24 hours a day to provide confidential support services, even for students who are abroad. For more information on the Victim Advocate Program, visit http://victimadvocate.fsu.edu.
  - University Counseling Center. The Counseling Center is a welcoming and confidential place to discuss questions and concerns such as homesickness, struggles with relationships, sexual identity, cultural issues, and more. Visit https://counseling.fsu.edu/ for more information.
  - Center for Health Advocacy & Wellness. The Center for Health Advocacy & Wellness encourages students to make healthy lifestyle decisions that facilitate academic success and lead to life-long health and wellness. For more information, visit http://chaw.fsu.edu/.
- The U.S. State Department maintains a web site of information for Americans studying abroad, including current travel advisory warnings, at: http://studentsabroad.state.gov/.
- The Smart Traveler Enrollment Program (STEP) is a free service provided by the U.S. Government to U.S. citizens who are traveling to, or living in, a foreign country. STEP allows you to enter information about your upcoming trip abroad so that the Department of State can better assist you in an emergency. We strongly recommend you register here: https://step.state.gov/step/.
- Waivers. All IP participants will be given a Waiver of Liability via email. It must be signed and submitted to IP.
- Be aware that you are subject to the laws of the country in which you are traveling.
- Always carry a photocopy of the picture and signature pages of your passport with you. Keep another copy in your room separate from your passport. Leave one copy at home in the U.S. with your family or a relative.
- Use the buddy system—try to travel with friends as much as possible and always tell your roommates or friends where you are going and when you expect to return. Bystander intervention is a powerful opportunity and responsibility for those within our community.
- Valuables. Students should not take sentimental valuables on their program. Students should not leave cash, passports, or other items of value unattended in their rooms. If a locker or safe is provided, students are strongly encouraged to use it to store anything of value at all times. Students should plan regular visits to the cash machine rather than leaving large amounts of cash in their rooms. Students are responsible for ensuring their rooms are left secure at all times – do not prop open doors, do not leave doors and windows unlocked, do not give keys to anyone. Students are strongly encouraged to purchase insurance that will cover their belongings while abroad, whether a standard homeowners or renters policy.
- Pickpocketing. In most large cities throughout the world, pickpocketing is the most common crime and can happen anytime, anywhere! We caution you to always be aware of your surroundings. While traveling in some areas beware of beggars who try to distract you with papers, boxes, or excessive body movements. Coats and purses are often stolen in crowded areas. Keep them close to you and lock your pack zippers with a combo lock. Secure your valuables if you are traveling on an overnight (“sleeper”) train.
- Weapons. Students are strictly prohibited from keeping or using firearms, knives, weapons (including pellet, air guns, paintball guns or other dangerous articles or substances). Furthermore, mace and/or pepper spray
may be illegal in the countries that you visit. It is your responsibility to know the laws regarding weapons in the host country if you intend to bring any item for self-defense.

HOUSING TERMS AND CONDITIONS
The following regulations for the International Programs student housing are based upon the Florida State University Contractual Agreement and the rights and responsibilities of individual members of the university community as spelled out in the ‘Codes of Student Conduct’ in the:

- Florida State University General Bulletin (http://registrar.fsu.edu/bulletin/)
- Florida State University Student Handbook (http://dos.fsu.edu/resources/student-handbook), and

These rules and responsibilities have been adapted and supplemented where appropriate to take into account the special needs of each program. The housing rules are designed to conform to the local laws protecting the mutual rights of both students and our local neighbors. We are guests in another country and we should respect and abide by the customs of the people. Since the housing and academic components are tied together very closely, the program staff must ensure that your stay in the residence facility provided enhances the overall mission of the program.

Carefully read these regulations and responsibilities. All occupants/participants in program-provided housing are obliged to conform to them so the overseas experience may be a positive one for everyone associated with our program. The program staff is responsible for ensuring these rules are enforced. He/she has the authority to supplement them at any time to deal with circumstances that affect the integrity of an academic and social/cultural program that functions in a foreign country. The program staff has the authority to dismiss from the program any occupant/participant who does not comply with all rules.

I. AGREEMENT TO GENERAL TERMS
A. Participants are reminded that our program-provided housing is in facilities regulated by the respective country’s law. Although the FSU rules and regulations apply on our study program, the law of the land where any misdemeanor occurs takes precedence and FSU cannot break these regulations or laws.

B. All program dates are advertised as first night in program housing to morning of the last day of the program. The FSU International Programs Contractual Agreement, appropriately signed, is effective from the morning on the date of the first night in housing of a particular program until the morning of the day of program departure. Specific times vary by country. More information is provided in the housing section of this packet.

C. If an occupant/participant voluntarily withdraws from a program and is released from this legal document he/she must vacate the residence within 24 hours of that decision. In the case of expulsion or immediate suspension/dismissal, another breach of contract, or a judicial process, the occupant/participant must vacate the residence immediately.

D. The acceptance of this FSU International Programs Contractual Agreement by Florida State University/International Programs Association, Inc., does not guarantee assignment to any particular room. Roommate preferences, however, will be honored as far as possible and practicable.

E. Under this document, the Florida State University, in conjunction with the Study Center program staff, reserves the right to formulate and put into effect other rules and regulations which, in their judgment, may be necessary for the safety, care, and cleanliness of the premises and for the preservation of mutual rights and responsibilities of the occupants/participants of the building, and the inhabitants of the neighborhood. All occupants/participants agree to abide by any and all additional rules and regulations adopted for those purposes.

F. Under this document, all occupants/participants are responsible for reading, understanding, and adhering to the general applicable regulations, rules, and procedures concerning student codes and policies as set forth in official publications of Florida State University. Such publications include the current editions of the General Bulletin, the FSU Student Handbook, and the Florida State University International Programs Important Forms packet.

G. All Florida State University International Programs facilities are designated no-smoking facilities. Smoking or vaping of any substance is prohibited throughout the buildings. All occupants/participants agree to accept this condition. Deviations from this policy, if they exist, will be provided in your country specific orientation package.
II. AGREEMENT TO GENERAL CONDITIONS AND RESPONSIBILITIES OF PROGRAM PARTICIPANTS

A. Respect for Persons
1. Program participants must be cognizant of the rights of others and avoid activities, which unnecessarily disturb individuals or groups, or interfere with the normal activities of International Programs. These include, but are not limited to, intimidating behavior, physical assault, hazing, or unsuitable or boisterous conduct. Participants should be aware of the effects of their noise on others and respond appropriately to requests to lower volume.

2. Florida State University respects and celebrates the diversity of its students. Statements of intolerance and/or harassment pertaining to race, creed, color, sex, religion, national origin, age, disability, veterans’ or marital status, sexual orientation, gender identity, gender expression, or any other protected group status are neither appropriate nor tolerated and can lead to dismissal from the program.

B. Respect for Property and Living Space
1. Program participants are expected to respect university property as well as the property of other community members.
   a.) University property may not be removed from any room or from public areas.
   b.) Out of respect for the community environment, sports and general rowdy behavior are not permitted either in the Study Center or in program-provided housing.
   c.) Participants may not affix any items to the walls of the residence.
   d.) Participants in program-provided housing may not remove, alter, or tamper with door closures, security equipment, or locks, nor may they wash or hang laundry in their rooms.
   e.) Students are expected to report all maintenance issues. If a maintenance issue is unreported and results in major damages, students may be held responsible for costs.

2. Participants in program-provided housing should ensure their rooms are properly cared for. It is the responsibility of all to maintain a standard that provides cleaning and care of the room.

3. Participants in program-provided housing are responsible for the reasonable care of their assigned living spaces and their equipment and appliances. Charges will be assessed for damages to, unauthorized use of, or alterations to, rooms, equipment, and buildings as well as for special cleaning necessitated by improper care of rooms or equipment.

4. Unless it can be determined otherwise, occupants/participants are jointly responsible for damages done to public areas and equipment in their living quarters. Public areas are defined as those areas available for use by all program participants living in a shared area. Charges for damages to public areas and equipment, other than those determined to be the result of normal wear and tear, may be assessed of all program participants of a particular room or floor, or of the residence as a whole.

5. Authorized administrative personnel may enter rooms for the purposes of cleaning, normal inspection, and maintenance. Occupants’/participants’ personal property is not subject to search without the express approval of the owner except in circumstances when a reasonable belief exists that the room is being used for an illegal purpose or a purpose which would otherwise seriously interfere with discipline and/or an occupant’s/participant’s personal safety.

6. Florida State University/International Programs Association, Inc. is not liable for damage or loss of personal property, failure or interruption of utilities, or unforeseen accidents or injuries. The organizations named above will be liable only for those damages or injuries caused by negligence on the part of their employees, agents, or representatives while they are working within the scope of their employment or agency. Occupants/participants are strongly advised to secure their own personal property insurance.

C. Respect for Housing Operations
1. It is expected occupants/participants will comply with reasonable requests from the program staff and the housing administrative staff.
   a. Residents will identify themselves when asked and will provide true and accurate information.
   b. Residents will refrain from harassment and verbal abuse of staff personnel.

2. Room keys may be neither lent to nor borrowed by anyone. Such actions violate administrative codes, are not permissible, and constitute grounds for dismissal. For personal safety reasons, the propping open of exterior doors is strictly prohibited.
3. Occupancy of rooms is reserved only to those program participants to whom the room has been assigned.
   a. Room transfers, if possible, may be made only after receiving approval from the program staff.
   b. After reasonable notice, room assignments may be changed, cancelled, or terminated at any time by the program staff in the interest of public order, health, discipline, maximum utilization of facilities, or disaster.

4. You will receive specific information regarding the guest policy for your International Program location during the on-site orientation. Some programs prohibit guests in residential areas. If you are staying on a program that does allow guests, the following rules apply:
   a. No guests are allowed in program housing between the hours of 11 p.m. and 7 a.m.
   b. Guests must be accompanied by their resident hosts at all times throughout the visit and may not be unescorted at any time in the residential areas.
   c. All guests must abide by the housing rules and regulations applicable to the resident host and must immediately depart the premises when told to do so by the host or program staff. Host may be held responsible for violations of their guest(s).

ADDITIONAL HOUSING INFORMATION
As you may know, Florida State University operates study centers in various countries around the world. Under our contractual obligations, students from one program are not permitted to use the housing facilities of another program if they are visiting. If you do have friends on another FSU program, please do not get them into trouble by trying to share their rooms if you visit them. You must arrange for your own housing. This also includes friends and relatives who may be traveling abroad.
TIPS & RESOURCES

ONLINE RESOURCES
The more information you find out about the country beforehand, the better off you will be once you get there. Here is a list of a few web sites that may be helpful as you begin your information search:

http://www.state.gov/travel/ (U.S. State Department's information for Americans)
http://www.letsgo.com (on-line travel guide)
http://travel.state.gov/travel/living/living_1243.html (tips on living abroad from the State Department)
http://nolereservations.blogspot.com/ (FSU International Programs blog with articles from former program participants)

USEFUL APPS
Google Translate (instantly translates words, phrases, and web pages between English and over 100 other languages)
Dark Sky (With down-to-the-minute forecasts, you’ll know exactly when the rain will start or stop, right where you’re standing)
Mobile Passport (authorized by U.S. Government to get through customs upon your return to the U.S. Allows you to use the dedicated mobile passport line in 21 participating airports).
