London Spring 2023 Participants,

Congratulations on your acceptance to FSU International Program’s study abroad program!

U.S. citizens are not required to obtain a visa to study or travel within the United Kingdom if they will be within the region for less than, or up to, six (6) months within a year. When travelling to the UK, you must enter through the E-Gates.

A letter will be provided to all participants prior to the start of your program explaining the purpose and status of your travel, program dates, and the address of the FSU London Study Centre. In the event that you are unable to enter the UK through the E-Gates and must speak directly with an immigration official, this letter will help answer any questions they may have.

Please contact the Immigration Team, at IP-Visas@fsu.edu, if you have any questions or concerns!

Sincerely,

The International Programs Immigration Team
Be sure to monitor your IP Student Portal and FSU Student Email. Should you have any questions or concerns, feel free to contact International Programs at IP-Visas@fsu.edu.
