- I understand that this enrolment to the Florida State University International Gateway Program is valid only for the indicated term. I also understand and agree that I will be bound by the University's regulations concerning deadline dates and admission requirements. I further agree to the release of any transcript, student record, and test scores to this institution (including any A Level, International Baccalaureate, ACT, SAT-I, and SAT-II score reports that this institution may request from ACT or College Board).
  - I understand that my transfer to the FSU Tallahassee campus will be dependent upon my fulfilling the following requirements: maintaining an overall GPA of 3.0 (B average) on all college coursework attempted at FSU; submitting a completed transfer application form to the Tallahassee campus by the specified deadline; obtaining a student visa for entry to the United States; submitting a Student Health History Form, certified by a qualified physician; submitting certified scores from either the Scholastic Aptitude Test or the American College Test; submitting transcripts from all colleges and universities attended.
  - I understand that admission to the Florida State University International Gateway Program program does not guarantee admission to a particular major. I understand that some majors are limited access programs, restricted by both total numbers of students in each major and minimum grade point average required for application. Each major operates with a different enrollment cap. Achievement of the minimum application GPA does not guarantee admission to a particular major; all admissions are competitive. Admission criteria are available from the appropriate college, school or department. An application package must be completed and submitted to appropriate college, school or department by the specified deadline. Acceptance by a faculty committee will be based on a review of the application and transcript.
  - I certify that the information given in this application is complete and accurate, and I understand that to make false or fraudulent statements within this application may result in disciplinary action, denial of admission, and invalidation of credits or degrees earned.
  - If admitted, I hereby agree to abide by the policies of the Florida Board of Education and the rules and regulations of the Florida State University. The policies and procedures of the Florida State University International Programs, Inc. (FSU IPA, Inc) and FSU International Programs, UK (FSU IPA, UK) Should any of the information I have given change prior to my enrolment at the university, I shall immediately notify the university.
  - I understand that this enrolment form and all supporting materials become the property of the Florida State University. No item(s) will be returned to the applicant or forwarded to other institutions or third parties.
- 
- I understand that my application fee of £50 is non-refundable regardless of whether or not I receive an offer of a place or accept an offer of a place on FSU International Gateway Program.
  - I understand that if I receive an offer of a place on the FSU International Gateway Program, and if I wish to hold that offer, I will be expected to submit a £1,000 holding deposit as a part of my conditional registration materials, in order to hold my place until one week after A Level Results day.
  - I understand that should I decide to take up my place on the FSU International Gateway Program, my £1,000 holding deposit will be applied toward my university fees. I also understand that should I decide not to take up my place on the FSU International Gateway Program, my deposit, minus a £500 administrative fee, will be returned to me by the end of the second week of the Fall term.
